1981 BUDGET RECOMMENDATIONS

1. That the Presbytery allocate 30.56% of all undesignated dollars received from churches during 1981, along with assessments in the amount of $67,495 ($1.83 per capita) and all General Assembly special offerings as well as designated gifts to the General Assembly.

2. That the Presbytery allocate 20.77% of all undesignated dollars received from churches during 1981 along with assessments of $22,129 ($.60 per capita) and all designated monies to the Synod of North Carolina. Special offerings at Synod level are sent directly to Barium Springs and Presbyterian Home upon disbursement from the Presbytery office.

3. That the Presbytery allocate 48.67% of all undesignated dollars received from churches in 1981, along with assessments in the amount of $19,179 and any designated offerings applying to the budget of this court, to the work of Orange Presbytery.

4. That the following SPECIAL OFFERINGS be authorized in 1981:

   a. The General Assembly has authorized the Mission Board to promote the Witness Season (January through March 1981) with a special Witness Season Offering to be received through its member churches.

   b. A special offering on Easter Sunday for the alleviation of World Suffering and Human Need, referred to as "Easter Offering". The Assembly has again authorized this offering with approximately 80% allocated to International Mission for our denomination's participation in Christian relief and rehabilitation work overseas, with 20% allocated to the G. A. Task Force on World Hunger to support programs attacking root causes of hunger and promoting development.

   c. A special offering for Presbyterian Home, High Point, on Mother's Day. This offering when distributed by the Presbytery is transmitted directly to the Home to provide its ministry to the aged.

   d. A special offering taken on the weekend of Thanksgiving to be distributed to Barium Springs Home for Children and their programs assisting broken homes, families with problems as well as the children. This offering is forwarded directly to the Home in Barium Springs.

   e. That a special over and above JOY GIFT OFFERING for Ministerial Relief be observed during the Christmas Season and sent to the Office of Orange Presbytery prior to the date when the 1981 books close (on or about January 10). This offering provides assistance to our aged servants of the Church and their spouses when MAF/EAF was either not paid or is inadequate to provide minimum income.

5. That Church Treasurers are requested to please remit all funds due the Presbytery in regular monthly payments of 1/12 of annual budget and that checks be made payable to Orange Presbytery and sent to Box 2874, Durham, N. C. 27705, and that care be taken to insure all designated gifts be specified in the lower left corner of the check and on transmittal sheets.

6. That Church Treasurers and Pastors very carefully review together the quarterly status of the giving of the church in order that contributions remain up-to-date. If there is a disagreement on the amount distributed or the designation of the same, please contact the Presbytery office (either Bauer, Noonan or Higgs).

7. That special offerings for the Mbujimayi Health and Nutrition Program in Zaire be continued with all checks clearly marked for that purpose, especially when included with other benevolence funds. This is again a Special offering and does not apply to the budget.

1982 BUDGET RECOMMENDATIONS

1. That the Council of Orange Presbytery consider including the assessments of Higher Courts (General Assembly and Synod) as well as the subsidy to three retirees of Orange Presbytery in the 1982 askings of its 124 churches and thereby eliminate any asking of assessments in future years.

2. That beginning in 1982 and continuing in 1983 a line item of $15,000 each year be included in the budget of Orange Presbytery (Court Administrative Services) for the purpose of hosting the 1984 General Assembly in Raleigh, North Carolina. (Total: $30,000)

AMENDMENTS TO THE CONSTITUTION APPROVED BY THE 120TH GENERAL ASSEMBLY AND RECOMMENDED TO THE PRESBYTERIES

A. AMENDMENT DEALING WITH PROXY VOTING UNDER CERTAIN CIRCUMSTANCES.

That Form of Government 5-1 be amended by adding the italicized words to read:

5-1. For the purpose of governance, the congregation consists of all the members on the confirmed roll of a particular church. *Except as herein otherwise provided,* only such members in good standing who are present at a congregational meeting are entitled to vote. A congregation may at its discretion set a minimum age for the voting of confirmed members in congregational meetings, provided that such age be not more than sixteen.

Where applicable state law requires the consent or presence of one-half (½) or more of the members of a particular church to vote on a question of incorporation of that church, or on a question of an amendment to the corporate charter or certificate, or in order to authorize incorporators or other officers to do such acts and deeds as shall be necessary to effect the authorizations and directives of the congregation in connection with incorporation and amendments as aforesaid, a member in good standing may give to another member in good standing in that particular church, his or her written proxy to vote in his or her name and stead on such questions. The proxy document shall state the date and time of the congregational meeting, and may include adjournments thereof, provided however, no proxy document issued in this regard shall be effective for more than sixty days from its date. Proxies shall not be counted for the purpose of determining the presence of a quorum under the provisions of Section 5-3 of this chapter.

C. AMENDMENT DEALING WITH EXAMINATION OF MINISTERS.

That *Form of Government* 16-5 be amended by striking the words "from another Presbytery" from the second line of the second paragraph, so that the sentence shall read:
16-5. . . . Should the Presbytery fail to sustain the examination of a Minister seeking admission, the Presbytery to which the Minister seeks admission shall, before adjournment of that meeting, enter a statement in its minutes of the reasons for such refusal and give the Minister under examination the opportunity to enter an answer to such statement in the same minutes. . . .

D. AMENDMENTS DEALING WITH CARE AND SUPERVISION OF CANDIDATES.

1. That *Form of Government* 24-3(2) be amended by adding the italicized so that the section reads as follows:
   24-3(2) Care of Presbytery. A person seeking to become a Candidate for the Ministry of the Word shall apply to be received under the care of the Presbytery which has jurisdiction of the church in which the applicant is a confirmed member. The applicant shall have been a confirmed member of that congregation for the six (6) months preceding the filing of an application to the Presbytery. An applicant may be admitted to candidacy by a Presbytery after the following documents have been submitted to the Committee on Candidates at least two months before Presbytery is asked to act:

(a) A written evaluation of the individual's potential for the ordained Ministry and an endorsement of the applicant by the Session shall be submitted to Presbytery's Committee on Candidates. Before the Session interviews the applicant or acts on an evaluation and endorsement, it shall meet with a representative of the Committee on Candidates who will discuss the qualities needed in Ministers, and the obligations assumed by a sponsoring church.

(b) An evaluation shall be made of the applicant's emotional, intellectual and vocational aptitudes for the ministry by a career counseling center or other qualified professional counselor approved by Presbytery for this purpose. The report, jointly prepared by the applicant and the center or counselor, shall with the approval of the applicant be shared with Presbytery's Committee on Candidates.

(c) A report from a physician indicating an individual's health and physical condition.

(d) A transcript from all the educational institutions above the secondary level which the applicant has attended; and if the applicant is enrolled in a theological seminary, then also an evaluation of potential for the ministry. The selection of the author of this evaluation shall be agreed upon in advance by the applicant and the Committee.

(e) A written statement by the applicant setting forth his or her experience of Christian grace, and the specific experiences which led to a sense of call.

(f) The Presbytery's Committee on Candidates, after studying the above written documents, shall have a personal conference with the applicant to determine if it feels the applicant has those qualities and sense of call needed for an effective ministry. The Committee shall recommend to Presbytery whether or not each applicant should be received under its care.

(g) The documents required to be submitted in (a) through (d) above may, for cause shown, be waived provided such action is first introduced and proposed at a meeting of Presbytery, and thereupon docketed for a subsequent Presbytery meeting, and acted upon at such subsequent Presbytery meeting favorably by a three-fourths vote of Presbytery.

2. That *Form of Government* 24-5 be deleted.

E. AMENDMENTS DEALING WITH RELEASING OF MINISTERS FROM ORDINATION AND RESTORATION.

1. That the title of Chapter 12, *Rules of Discipline,* be changed to read "Divesting of Office Upon Request: Release of Ministers from Exercise of Ordained Office and Restoration Thereto."
2. That a new Section 112-2 be added as follows:

§112-2. If a Minister desires to be released from the exercise of ordained office, such Minister shall make application to the

Presbytery of his or her membership. The Presbytery may, if such Minister be in good standing, release him or her from the exercise of ordained office and after a second vote at a subsequent meeting return that person to the status of a member in the Church. In such case the Presbytery shall delete that person's name from the roll of the Presbytery and assign him or her to membership in some particular church subject to the approval of that church. The status of a Minister who has been so released and assigned to membership shall be the same as that of any other Church member. Use of the titles Minister, Pastor, or similar designations by such persons is deemed inappropriate. No judgment of failure on the part of the Minister is implied by this action.

3. That a new Section 112-3 be added as follows:

§112-3. If a former Minister released under §112-2 desires to re-enter the Ministry and be restored to continuing membership in Presbytery, that person shall make application to the Presbytery which granted his or her release and shall be restored to the right of exercise of ordained office without reordination and enrolled as a member of that Presbytery upon:

(1) Verification by that Presbytery from the Presbytery (or its equivalent) within whose bounds the applicant will serve, that a call is being presented;

(2) Satisfactory completion of such examination as may be required by the Presbytery which granted release from the exercise of ordained office;

(3) Affirmation of the ordination vows in effect at the time of application for restoration;

(4) Approval of restoration by the Presbytery which granted release from the exercise of ordained office.

Thereafter, the procedures for calling a Minister to a definite work as set forth in 26-6, 26-7, and following shall be pursued. However, if the call then being presented has not within six months of the date of restoration, been placed in the restored Minister's hands and been accepted by the said Minister, the restoration shall be void automatically, that person's name deleted from the roll of Presbytery, and he or she reassigned to membership in his or her former church.

REPORT OF COMMITTEE ON BILLS AND OVERTURES

Pansie Evers, chairperson, presented the report of the committee on Bills and Overtures. Action was taken to reconsider the Overture from the University Presbyterian Church at this time. The Overture is as follows:

AN OVERTURE FOR ORANGE PRESBYTERY
SUBMITTED BY THE SESSION, UNIVERSITY PRESBYTERIAN CHURCH

WHEREAS the 120th General Assembly of The Presbyterian Church in the U.S. amended the Directory for Worship by adding a new section, 209-10, which reads as follows: "In its responsibility to maintain the spiritual government of the Church, the Church Session shall welcome baptized children to the Lord's Table and shall provide appropriate educational and nurturing opportunities for parents and children, aiding and encouraging them to understand the meaning and significance of the Lord's Supper. Suitable recognition of persons welcomed to the Lord's Table should be made in the presence of the congregation"; and,

WHEREAS the constitution of our church declares that the visible church "consists of all those who make profession of their faith in the Lord Jesus Christ, together with their children " (Form of Government 2-1; Westminster Confession of Faith XXVII-2) without reference to baptism; and,

WHEREAS there are in most of our congregations some children of members who have not been baptized, and who are of an age judged to be too old to receive infant baptism and too young to receive adult baptism and confirmation; and

WHEREAS such children are by definition of our constitution members of the church even though they may not have received that sacrament which acknowledges their membership, and,

WHEREAS it appears to us that such children ought to be admitted to the Lord's Table on the same terms as those set forth for baptized children;

NOW THEREFORE the Presbytery of Orange respectfully overtures the 121st General Assembly to initiate the process for making the following changes in the FORM OF GOVERNMENT and the DIRECTORY FOR WORSHIP:

1. Amend the DIRECTORY FOR WORSHIP Sec. 209-10 by deleting the word "baptized" and by inserting the words "all children of confirmed members".

2. Amend the DIRECTORY FOR WORSHIP Sec. 211-7 by adding the following as (c): "All unbaptized children of confirmed believers who have

been welcomed by the Church Session in accordance with the provisions of the D. W. 209-10" (as amended). Change the present "(c)" to "(d)".

3. Amend the FORM OF GOVERNMENT Chapter 7-3 by changing it to read as follows: "The children of believers are, through the covenant and by right of birth or adoption, members of the Church. Such membership, while normally recognized and affirmed by Baptism, exists prior to Baptism. All such children are entitled to participate in the Sacrament of the Lord's Supper, in accordance with the provisions of the Directory for Worship, Section 209-10" (as amended).

4. Amend the FORM OF GOVERNMENT Chapter 8-7 by adding as #3 the following: "The roll of unbaptized children of confirmed members." Change the present "#3" to "#4".

5. Amend the FORM OF GOVERNMENT Chapter 15-6-3 by changing it to read as follows: "To instruct parents who are confirmed members to present their children for baptism, to enroll all children of confirmed members as baptized or unbaptized members, and to welcome all members to the Lord's Table in accordance with the provisions of our constitution."

A panel consisting of Dr. John Leith, John Danhof and Vance Barron presented various views on the Book of Church Order change relating to Admission of Children to the Lord's Table. Questions were asked to the panel clarifying the issue.

Action was taken that the Overture be answered in the negative.

REPORT OF COMMITTEE ON BILLS AND OVERTURES

D. J. Walker, Jr., Chairman, Committee on Bills and Overtures, presented the report which was adopted:

The Bills and Overtures Committee which was appointed at the opening of the Spring meeting of Orange Presbytery on April 21, 1981, met in the Conference room of the host church and after organizing itself, heard the proponents of the Overture from the Session of the St. Paul Church, after which it heard those speaking against the Overture. The Committee then heard all those who presented themselves on either side, briefly but adequately, after which the committee deliberated and found as follows:

1. No one, proponent or opponent, considers that the issues presented by the Overture should be decided today, in light of the seriousness of the concerns raised by them as to the present Orange Presbytery.
2. We recognize the fact that the Overture from the St. Paul Church did not identify all the issues that presently exist in the Presbytery arising out of their general question.
3. Among additional issues raised before us were adaptability of our structure to perform the mission of the Presbytery, stewardship of human resources, need for individual congregations feeling themselves a part of Presbytery, and others.

We therefore recommend to the Presbytery:

That the Overture from the St. Paul Church be answered by the appointment of a special committee to study the entire framework of issues raised by the Overture, that such committee be appointed by the Moderator, consisting of 7 persons, reflecting the variety of the Presbytery and that it present its report to the Fall meeting of the Presbytery of Orange.

REPORT OF THE RESOLUTION COMMITTEE

We express our appreciation to the officers and staff of the First Presbyterian Church, Greensboro for their gracious hosting of our meeting this day, with their careful and caring attention to the needs of the Court. Especially do we thank those who prepared the delicious noon meal, the morning refreshments, made and posted signs that enable us to know where we are going.

We have been inspired by the beauty of this sanctuary and the worship prepared by the Worship Committee.

We praise God for his presence with us, for the joy of our coming together, and the challenge of our going out.

In response to the Resolution of Appreciation to J. R. McAlpine, III from the Session of the First Church, Henderson, N.C., we concur and direct that the Resolution be spread upon the Minutes of the meeting of Orange Presbytery.

REPORT ON GLOBAL VISION FOR THE 80's

Mrs. Dotty Barnard, former Regional Communicator for the Synod of the Mid-South, spoke to the court of the many countries in which she has visited our mission fields. She informed the court of the status and changes in the way we perceive "world missions" today and how many countries simply want the PCUS to become Partners in Mission since they have already trained their own people to preach and teach. The needs for hospitals, clinics, agriculture projects and other areas of mission are also mission projects which need commitment from our local churches.

REPORT OF ADMINISTRATIVE COMMITTEE ON THE NORTHGATE CHURCH

Jerry McCann presented the report of the Administrative Committee on the Northgate Church which was adopted:

REPORT OF THE ADMINISTRATIVE COMMITTEE TO EXPLORE THE FUTURE OF NORTHGATE PRESBYTERIAN CHURCH, DURHAM

I. General

1. At an organizational meeting, the Committee elected Roger Johnson chairman and Haywood Holderness as clerk.

2. The entire Committee spent the afternoon of March 15th and 22nd interviewing the pastor and members of Northgate Presbyterian Church (NPC).
3. The Committee commends the pastor and members of NPC for warmly welcoming and cooperating with the Administrative Committee.
4. The Committee also commends NPC for her successful efforts in her recent Capital Fund Campaign, thus solving one aspect of her financial crisis.

II. Findings of the Administrative Committee

1. The Committee believes that the ministry of NPC will continue in some form at her present location, regardless of whether or not a new Presbyterian Church is organized in North Durham.
2. There appears to be a lack of communication between the officers and members of NPC as well as some confusion or misunderstanding among the membership as to the mission and purpose of NPC.
3. It seems almost certain that the NPC will have financial problems in the future.
4. There appears to be an unrealistic attitude by some of the older members regarding the solution or problems which NPC will inevitably face in the future.
5. There seems to be a tendency among a significant number of the members of NPC to unfairly blame the pastor for the problems existing at NPC Church.

II. Recommendations

Therefore, the Administrative Committee recommends that Orange Presbytery offer her professional services in helping the Session of NPC to deal with findings above.

The Council of Orange Presbytery
Durham, North Carolina

We have examined the balance sheets of the Current Funds, Endowment and Similar Funds, and Property, Plant and Equipment Funds of Orange Presbytery as of December 31, 1980 and 1979, and the related statements of changes in fund balances and Current Funds revenues and expenditures for the years then ended. Except as stated in the following paragraph, our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Property, plant and equipment are recorded principally at estimated values as described in Note D and include the properties that are known to be owned by the Presbytery at December 31, 1980 and 1979. Generally accepted accounting principles require that property, plant and equipment be carried at cost or fair market value, if donated. The difference between these two methods is not readily determinable. Our examination of the Property, Plant and Equipment Funds was limited in that the records were not adequate to enable us to determine whether all properties owned by the Presbytery are included in the balance sheets at December 31, 1980 and 1979. In accordance with your instructions, we did not perform the additional audit procedures that would have been necessary to make such a determination. Because of the limitation imposed on our examination, we do not express an opinion on the financial statements of the Property, Plant and Equipment Funds.

In our opinion, excluding the financial statements of the Property, Plant and Equipment Funds, the financial statements referred to above present fairly the financial position of the Current Funds and Endowment and Similar Funds of Orange Presbytery as of December 31, 1980 and 1979, and the changes in funds balances and the Current Funds revenues and expenditures for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

NOTES TO FINANCIAL STATEMENTS

ORANGE PRESBYTERY

NOTE A--SIGNIFICANT ACCOUNTING POLICIES

Accounting Basis: The financial statements of Orange Presbytery have been prepared on the accrual basis except for depreciation accounting as explained below. The statements of Current Funds revenues and expenditures is a statement of financial activities of Current Funds related to the years ended December 31, 1980 and 1979. It does not purport to present the results of operations or the net income for the years then ended.

The Presbytery maintains its books under the principles and practices of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities, objectives, and restrictions specified by donors, sources outside the Presbytery, or by direction of the Board of Trustees or Council.

In accordance with bookkeeping practices recommended by the Presbyterian Church in the United States, of which Orange Presbytery is a member, the Presbytery holds open cash receipts and disbursements records for approximately two weeks after the end of the year in order to record year-end transactions with member churches and the General Assembly.

Revenues: Benevolence and per capita tax revenues are contributions made by the member churches of Orange Presbytery. Due to the voluntary nature of these contributions, they are recognized as revenues when they are received, except contributions received in advance are deferred.

All gains and losses arising from the sale or other disposition of investments and other noncash assets are accounted for in the fund that owned such assets.

Revenues derived from investments are accounted for in the fund owning such investments, except that revenues derived from investments of Endowment and Similar Funds are accounted for in the fund to which they are restricted or, if unrestricted, in Current Funds.

Restricted gifts, grants, appropriations, and other restricted resources are accounted for in the appropriate restricted funds. Such funds are then reported as revenues and expenditures of the Current Funds when expended.

NOTE A--SIGNIFICANT ACCOUNTING POLICIES--Continued

Inventories: Inventories of paper and printing supplies held for resale to member churches are priced at the lower of cost or market on a first-in, first-out (FIFO) basis.

Property, Plant and Equipment: Amounts expended from Current Funds to acquire property, plant and equipment are accounted for as expenditures of Current Funds. Such expenditures are then recorded as additions to the Property, Plant and Equipment Funds in the statements of changes in fund balances.

In accordance with practices followed by similar organizations, the Presbytery does not provide for the depreciation of fixed assets.

NOTE B--NOTES PAYABLE

Notes payable of the Current Funds consists of the following:

	December 31 1980	1979
Mortgage note payable, secured by the Camp New Hope Dining Hall, payable in semi-annual installments of $4,326, including interest at 6%.	$33,085	$39,464
Note payable to bank, unsecured, payable in quarterly installments of $400, including interest at 5%.	10,035	11,100
Note payable to bank, secured by an automobile, payable in monthly installments of $207, including interest at 13%.	6,150	-0-
	$49,270	$50,564

Orange Presbytery has guaranteed, in case of default, notes payable of member churches amounting to $295,382 at December 31, 1980 and $141,000 at December 31, 1979.

ORANGE PRESBYTERY

NOTE C--HUNGER PROJECT

The Presbytery is currently engaged in the funding of the Mbujimayi Hunger Project in Zaire. Hunger Project contributions received from the churches of the Presbytery are appropriated for this purpose. The changes to the appropriated funds are as follows:

	1980	1979
Hunger Project contributions	$100,048	$114,900
Interest income	18,611	4,944
TOTAL REVENUES	118,659	119,844
Hunger Project expenditures	63,318	58,807
EXCESS OF REVENUES OVER EXPENDITURES	55,341	61,037
Appropriated Hunger Project funds at beginning of year	123,166	62,129
APPROPRIATED HUNGER PROJECT FUNDS AT END OF YEAR	$178,507	$123,166

NOTE D--PROPERTY, PLANT AND EQUIPMENT FUNDS

Property, plant and equipment are stated predominately at estimated values due to the fact that either the properties were donated or cost was not available. The estimated values are based on a combination of insurance values, appraisals, and fair market values as established primarily in 1974. Additions to the fund since January 1, 1974 are recorded at cost or fair market value, if donated. Generally accepted accounting principles require that property, plant and equipment be carried at cost or fair marke value, if donated. The difference between the two methods is not readily determinable.

In addition to the properties recorded in this fund, the Trustees hold title to various churches in Orange Presbytery. This arrangement is for canonical purposes rather than for actual utilization; therefore, the properties are not included in the accompanying financial statements.

THE MBUJIMAYI HEALTH AND NUTRITION CENTER PROJECT PHASE II

I. **Preamble:** (Adopted by the Board of Directors, November 1979)
The purpose of the Mgujimayi Health and Nutrition Center Project is the same as the purpose of the Church: To honor and serve God, to make Him known to all people through Jesus Christ, to comfort and help heal the world's hurts and to give meaning to all life by demonstrating the love of Christ through the ministry of teaching, healing and helping others to help themselves.

II. **Constitution:** The Christian Health Center will continue to operate under the Constitution adopted by the Board of Directors at the November 1979 meeting.

II. **Agreement:** The existing agreement between the DIM/PCUS/Orange Presbytery and CPZ/ECZ will be extended for five years, continuing through 1986. As stated in the Phase I agreement, the concept of "flexibility" regarding the details of the program should be understood and accepted. The Project Director and the local Project Governing Board will need to be given reasonable programmatic flexibility.

Income goals within the suggested range are accepted by Orange Presbytery. In the event that income forecasts are not met, overall plans will be adjusted to fit funds available. (See attached Phase II Funding Forecast)

V. **Program Priorities:**

A. The continuation of programs now underway.

1. Research project in Dibindi Zone — including follow-up.
2. Clinics for children under five (well-baby clinics) — vaccinations, weighing of children and administering prophylactic against Malaria, and health education of parents.
3. Prenatal and family planning program.
4. Nutritional demonstration and rehabilitation (educating mothers by direct instruction and by demonstrating appropriate nourishment for their children).
5. General medical consultation service.
6. Continuing education for paramedical staff.
7. Community development and agriculture (organizing local health committees; small intensive gardening extension; agricultural demonstration work; rabbit extension; and small nursery).

B. The further development of the agricultural program.

C. The operation of a general medical consultation service, with the construction of additional facilities for this service.

D. The development of teaching materials for public health.

E. The operation of a Tuberculosis Clinic.

F. Support of health education in schools.

(Note: Financial support for additional projects is being sought from other organizations.)

V. **Special Recommendations by Orange Presbytery:**

A. That technical assistance be provided for developing and instituting means of measuring the effectiveness of the nutrition program. See Constitution, Specific Objectives, "J". (The Director of the Center has expressed her support of this goal.)

B. That the DIM encourage communications between Orange Presbytery and the Presbyterian Church of Zaire.

ORANGE PRESBYTERY FUNDING - to be provided through continuation of "Pennies for Hunger" and other financial plans of the churches:

Five-Year Proposal	$585,000
Less Expected Funds on Hand 12/31/81	135,000
Yearly Goal - $90,000	$450,000

HUNGER FUNDS

From the beginning of Orange Presbytery's hunger emphasis (1976), it was the intention of the Presbytery to address both world hunger and malnutrition in North Carolina. For the first eighteen months of our hunger emphasis, 75% of funds were reserved for dealing with world hunger, 20% for Presbytery Projects, and 5% for educational opportunities and administrative expenses.

Under the scrutiny of the Hunger Task Force, few projects dealing sufficiently with the roots causes of hunger in North Carolina were forthcoming; so reserving 20% for this purpose was discontinued. The accumulated funds in that category are almost depleted just as a number of projects are coming to our attention which seem to merit our support. A number of people have indicated a wish that we more actively support some worthwhile domestic causes.

With such an impressive program underway at Mbujimayi and an increasing interest in domestic causes, we believe that ever more churches will begin to respond to the challenge before us in a positive way.

We have averaged about $100,000 per year income from churches and individuals; and in addition, we have had interest income from funds on hand. The $90,000 yearly goal (1982-1986) for Phase II of the Mbujimayi Health and Nutrition Center Project will take priority at all times, but realizing our record of giving during the past five years, it seems reasonable that sufficient funds will be contributed to resume reserving 20% for addressing hunger and malnutrition in North Carolina.

Recommendation: That Orange Presbytery accept the Phase II Proposal for the Mbujimayi Health and Nutrition Center Project, funds to be provided through continuation of "Pennies for Hunger" and other financial plans of the churches.

Proposed Phase II Funding (1982-1986)	$585,000
Less Expected Funds On Hand 12/31/81	135,000

7. That Presbytery endorse the Proposal to the Women of the Church Birthday Selection Committee.

PROPOSAL TO THE WOMEN OF THE CHURCH BIRTHDAY SELECTION COMMITTEE

   Estimated Cost - $35,000
   Time to Accomplish — 18-24 months

3. To produce program segments for incorporation in series produced in local markets across the nation and for use by denominations, schools, colleges, seminaries, conferences, and agencies.
   Estimated Cost — $40,000
   Time to Accomplish — Begin immediately after production unit is formed; continue indefinitely.

4. To create and produce programs, specials, or series for denominations, religious groups, or non-profit organizations. Eg. N.C. Council of Churches request for a weekly series created and produced by CMA.

   Estimated Cost — $90,000
   Time to Accomplish — 12-30 months

Proposing Organization — Orange Presbytery

Group to be benefited — Creative Ministry Associates

Person or persons who will administer the funds —

Mrs. Thomas G. Wilson, Chairman Finance Committee & Treasurer

Cathy Carlson, Executive Director, Project Director
Creative Ministry Associates

BENEFITS OF THIS PROPOSAL:

1. It will allow a pioneering organization which has accomplished "miracles on a shoestring" to continue the excellent work it has been doing.

2. It will make it possible for CMA to expand its scope and put its ten years of experience to work for the growing numbers of religious bodies who now feel the urgency to use television effectively, but do not know how to go about doing so.

3. It will make it possible for CMA to break new ground in religious television. Many urgent needs the organization sees have been postponed because it does not have the equipment, personnel, or operating funds to develop what is required.

4. It will allow the youth of the church to explore the world they live in and share their questions, concerns, fears, dreams, talents, and answers with a broad audience of peers and adults. It will demonstrate the church's respect for youth. It will train future programming personnel as the church takes its place in the electronic world.

5. It will cut down on duplication of efforts and waste of money by many religious groups who are all trying to accomplish the same purpose without having the money to do quality production.

6. It will provide producers of good quality programming an opportunity to share the results of their labor-through the National Resource Center -with groups who need program resources, thus multiplying the benefits of every hour and dollar spent. This is a need religious communicators and producers have expressed for years.

7. It will allow Presbyterians to focus attention on special mission emphases, educational and social concerns, people, projects, and places from the local to the national level on cable and commercial stations.

These resources will also be available for marketing through the National Resource Center CMA establishes.

8. It will provide quality resources for communities who want to sponsor or create their own religious programming for cable or commercial television. These segments will cut down on the time it takes to produce the local program and make it easier well balanced programs in areas where resources may be limited.

9. It will allow Creative Ministry to generate a sizable portion of its support through its production unit and marketing division.

10. It will allow the church to move on the cutting edge of the religious television field instead of doing "too little, too late".

All of these benefits will continue long after the grant period is over. When Creative Ministry is not using its equipment for its own programming, it can be rented at a rate of $600 per day to local television stations when they need additional equipment. The nearest place to rent that equipment now is 500 miles away. Rentals of this kind can be used to replace equipment and supplement the operating budget once the grant period ends.

The need to begin all of these programs is urgent. Most of them will not happen at all if they are not put into operation soon. A few can happen on a very limited basis.

Dr. John MacLeod spoke to the court regarding the work of the Synod of North Carolina where he is serving as General Secretary.

Dorothy Temple, Tom and Alice Davis, Tom Wayman and Robert Patterson told of the current status of the work in the Mbujimayi Health and Nutrition Center, Zaire. Motion passed to adopt the report of the Council as a whole.

APPRECIATION EXPRESSED

A standing ovation was given to Tom and Alice Davis for the work done with the Hunger Task Force and for their trip and interest in the Mbujimayi Center.

PURPOSE OF MEETING STATED

Joyce P. Bauer, Stated Clerk, read the call for the meeting of Orange Presbytery on October 1, 1981, 10:00 a.m. at the First Presbyterian Church, Burlington, N.C. for the following purposes:

1. To consider the statement of renunciation of the communion and authority of the Presbyterian Church, U.S., by the Reverend Stephen M. Crotts, Pastor of the Westview Presbyterian Church, Burlington (cf. BCO 111-3); and

2. To appoint an Administrative Commission "to visit that portion of the church affected with disorder to inquire into and settle the difficulties therein" (BCO 19-3).

COMMUNICATION

The stated clerk read the following communication:

1. Requests for excused absences of those listed above were granted by the court.

2. Members of the Commission on the Minister were given the privilege of the floor along with confirmed members of the Westview Presbyterian Church, Burlington, N.C.

WELCOME BY HOST CHURCH

The Reverend Charles Williams, host pastor, welcomed Presbytery to the church and made pertinent announcements.

REPORT OF THE COMMISSION ON THE MINISTER

Al Thomas, chairman, presented a letter of resignation dated September 13, 1981 from The Reverend Stephen Crotts, pastor of the Westview Presbyterian Church. The letter reads as follows:

Dear People Whom God So Loves!

In the play, *The Fiddler On The Roof,* a particular character's job is to straddle the roof and play his fiddle.

My job is not unlike that.

It's a high position requiring balance.

And I've a tune to play come hot or cold, rain or shine.

For 3 years now I've tried to keep my balance here and play my tune no matter what happens. And the result is that many of you lovely people have gathered to get involved in the music of Jesus Christ.

Yet through it all, we just haven't been able to mend some of the tears of this, the local church, that have resulted from pouring so much new wine into an old wineskin.

In one area things are going so well. In another area there is sharp conflict.

But of even deeper consequence is the Presbyterian Church, U.S.'s clear departure from Biblical truths. The denomination has refused to be called back into line by her prophets. The future indicates an even more rapid shift away from basic, historic Christianity. Apostasy looms large before us. And because of this I can no longer in good conscience continue as a teaching elder in the Presbyterian Church, U.S. Therefore I wish to separate myself from such unbelief as a gesture of prophetic protest.

So, now, for the good of the Westview Church, and the cause of Christ in general, as well as for the good of my family, I am announcing my resignation effective at noon, November 1, 1981.

There have been many thrilling things about the past 3 years, but none more thrilling than watching God work and people respond by getting involved with their spiritual gifts to form a ministering community. Indeed, the world has glimpsed in us the kingdom of God come upon us!

In announcing my resignation let me assure you that God will take care of you as He will me.

My wife and I have decided, for family reasons, to stay in the area. We shall be looking into several opportunities that have come our way for ministry.

Do pray for us as we seek God's will. And we shall pray for you, too, as you decide His will for you.

And my God have mercy on our souls!

Stephen M. Crotts

The sermon of that day was referred to with its 12 points of difference from the Presbyterian Church, U.S.

He referred to the Administrative Committee of the Commission to work with the officers of the Westview Church and with Mr. Crotts.

CROTT'S STATEMENT TO THE COURT

Stephen M. Crotts read a statement to the court regarding his views and differences with the Presbyterian Church, U.S. He requested that the court transfer him as an ordained minister to the Presbyterian Church of America where he will begin a new congregation on Sunday, October 4.

The following motion was adopted (vote: 88 for, 28 against)
That Orange Presbytery, the court having jurisdiction over The Reverend

Stephen M. Crotts and the Westview Presbyterian Church, Burlington, North Carolina, shall record the irregularity of Mr. Crott's statement of renunciation of the communion and authority of the Presbyterian Church in the United States made in a letter of resignation to the congregation of the Westview Presbyterian Church dated September 13, 1981, and this same court of jurisdiction withdraws from the Reverend Stephen M. Crotts all authority to exercise office derived from this church. (BCO 111-3)

ADMINISTRATIVE COMMISSION FOR THE WESTVIEW PRESBYTERIAN CHURCH

A motion passed that the court recess for 10 minutes while the moderator selects the nominees to serve on the Administrative Commission for the Westview Church.

The court recessed and the moderator met with members of the Westview Presbyterian Church and other interested members of the court.

The court reconvened and the moderator presented the following nominees for the Administrative Commission on the Westview Church who were elected after the floor was opened for other nominees:

MINISTERS
Edsel Huffstetler, Buffalo Church
Paul Woodall, Convenor, Bethel Church
Elizabeth Wood, Chaplain, Durham County General Hospital

RULING ELDERS
D. J. Walker, Burlington First Church
Robert Scott, Hawfields Church
Alan Keith-Lucas, University Church
Marjorie Whitaker, Trinity Burlington

Motion passed: That the Presbytery establish an Administrative Commission to mediate differences and reconcile sisters and brothers, to the end that the difficultires may be corrected by the Session of the church if possible, that the welfare of the Westview Presbyterian Church may be promoted, that the unity of the Church in Christ Her Head may be made manifest.

The Administrative Commission shall proceed in the following manner.

1. The Administrative Commission shall bring information to the session of the church involved. It shall counsel with the session as to the proper actions to be taken in correcting the reported difficulties.
2. The Administrative Commission may offer its help as a mediator in case the session either finds itself unable to settle the problems, or take no steps toward settlement.

3. The Administrative Commission may act to correct the difficulties, observing procedural safeguards.
4. The Administrative Commission shall provide the court with a proper and full record of the resolution of the matter.

REPORT OF THE COMMITTEE ON THE OVERTURE TO DIVIDE ORANGE PRESBYTERY

Edwin Brammer, chairman, presented the report with its recommendation which was adopted by a vote of 112 for, 109 against:

RECOMMENDATION:

The Committee recommends that the Presbytery of Orange answer the resolution of the St. Paul's Presbyterian Church in Greensboro asking that Presbytery overture the Synod of N.C. to divide the Presbytery of Orange into two presbyteries be answered in the negative.

RATIONALE:

With the approval of the Court at its April meeting a Committee was appointed by the Moderator of Orange Presbytery to study the Overture from St. Paul's Presbyterian Church and to report its recommendations at the October meeting of Presbytery.

As part of its research the Committee sent a letter to every Minister and Clerk of Session in Orange Presbytery. In this letter we invited the response of

Ministers, Ruling Elders and Church Sessions to the Overture's request that "the Synod of North Carolina divide the Presbytery of Orange into two presbyteries." In addition, each committee member personally contacted Ministers and Ruling Elders in their district. The Committee believes that the information provided via telephone conversations and letters was adequate.

From this data the committee has identified the following issues which we believe need to be addressed:

STEWARDSHIP

Stewardship of time and money was frequently voiced as a concern. Many felt that too much time and gas were expended in travel to meetings. Irritation over the extended length of meetings was also stated as an example of poor stewardship. In addition many individuals felt the largeness of Orange Presbytery made it more costly to operate than would two smaller presbyteries.

Several ways of addresssing this issue were suggested to the committee:

1. To have the Council appoint an operations division in both the east and west sections of Orange Presbytery. The goal would be to cut down on time traveled, fuel consumption and include more people in the work of the Presbytery. Representatives from the east and west divisions would work together on the Council.
2. To locate Presbytery staff in Raleigh, Durham and Greensboro. This option may not reduce travel, but could make staff more visible and thereby more accessible to various geographic regions of the Presbytery.

   Whether it would cost less or more to operate two presbyteries and two offices is an issue the Committee found impossible to project. Cost would be contingent upon many things such as the function/design of the newly organized presbytery or presbyteries.

ROLE OF PRESBYTERY

There is no consensus among churches and geographic regions as to the role of Presbytery. This lack of a common definition has caused disagreement over the function of staff. In the past Orange Presbytery has determined it would be a resourcing agency. If a church or group of churches needs Presbytery assistance, then they were expected to seek it. If a church is waiting for staff to assist with a problem and the staff is waiting for an invitation by the church then dissatisfaction and problems occur.

1. The type of presbytery we are needs to be openly discussed and resolved. Once this action is taken, the role of presbytery needs to be clearly communicated to churches and ministers.
2. Along the same lines, staff functions and accountability need to be clearly defined and stated to local churches. More clarity in this area would assist ministers and ruling elders in knowing whom to contact for what on the staff.

PRESBYTERY MEETINGS

Many felt that presbytery meetings last too long and that the number of churches able to host presbytery meetings was severely restricted by the largeness of Orange Presbytery.

1. Whatever the bounds of a presbytery, the number of churches capable of hosting the court will be limited.
2. The time consumed by traveling to presbytery meetings and the length of time it takes to conduct the court's business deserve attention. It is the hope of this committee that these concerns will be seriously studied and resolved.

INCLUSION/EXCLUSION

Individuals, churches and geographic regions feel excluded from the committees of Presbytery and from its overall work.

1. A re-organization of the Council might alleviate this problem.
2. Also the Committee became aware that some ministers, lay persons and churches are waiting for something to be done for them while making no effort to become involved. This Committee urges individuals and churches to make their wants and skills known so that this will be included in the work of the Presbytery.

SYNOD

The Overture from St. Paul's asks that we overture the Synod to realign the boundaries of Orange Presbytery.

1. An overture to the Synod of N.C. could not be heard until June 1982. If the Synod agreed to study the suggestion of this court no action would be possible until June 1983 and it might be later than that.
2. This reality would mean Orange Presbytery could not advance in its ministry or call a new General Presbyter for at least three (3) years.
3. There is no guarantee Synod will re-establish the old boundaries of Orange and Granville Presbyteries.

These are the concerns which the committee heard repeatedly expressed. We recognize the seriousness of the issues raised and we urge that they be addressed by Presbytery; however, we do not believe the issues raised are reason to overture the Synod, nor are we convinced that issues identified could be solved by dividing into two presbyteries.

A motion passed that the Moderator appoint a committee to prepare a proposal for pursuing the matter of how presbyteries may best be structured in order to overcome the problems voiced in the debate of this issue and to report its proposal to the winter meeting of Presbytery.

He served as assistant pastor of First Church, Knoxville, Tennessee; pastor, Westminster Church, St. Louis, Missouri; pastor, First Church, Bristol, Tennessee and associate pastor of First Church, Raleigh, North Carolina.

Bill served as a Navy chaplain during World War II and was said to have been the Navy's most decorated chaplain; he earned four combat stars, the Silver Star for gallantry, the Asiatic Ribbon, citations, and a Purple Heart while serving with the Marines in the South Pacific.

Dr. McCorkle served as moderator of the General Assembly in 1963 and as moderator of the Synod of Appalachia in 1961. He made the first overseas visit for the PCUS as moderator to Brazil in 1963.

Dr. McCorkle died July 1 in a hospital in Asheville following an apparent heart attack. Bill, Martha and John were enjoying a visit in their Montreat home when he became ill.

He will always be remembered for his radiant smile and expression of happiness that he left with each person he met or visited. He served Orange Presbytery in many capacities and was always available to work with small churches in the Presbytery. One of his last interims was with the Belleview and Selma churches in this Presbytery.

Bill is survived by his wife, Martha Burkhead McCorkle, and two children, John T. McCorkle and Catherine Elizabeth McCorkle.

DR. WILLIAM H. MCCORKLE

His face was never pale,
Nor his eyes ever
Mirrored pain,
The World he reached to gain
By helping others
To see God with love and joy.
Was always chasing rainbows,
Illuminating a winding way
With vigor and deep concern
For others by leading the way.
Was radiant every day,
Decorated and served
His Lord many long years
In every Christian way.
The humor and his hand
He left for us all,
To let no shadows fall
Upon us whom he loved so well,
And now, in God's Throne
Rests his joyful soul,
A gift of God,
Who forever holds.

- Claude Phelps, July 1981

COMMITTEE ON PRESBYTERY MEETINGS

The Committee on Presbytery Meetings was established by the Council of Orange Presbytery and authorized to study Presbytery Meetings and make recommendations as to how they could be more effective.

The Committee on Presbytery Meetings recommends that the Summer Meeting of Presbytery now scheduled for Starmount Presbyterian Church on July 27, 1982 be a two day meeting at the same location on July 26 and 27. (See Council Report Recommendation #6.)

RATIONALE FOR A TWO-DAY MEETING

1. Fulfill Our Goals as a Presbytery

   The goals of Presbytery Meetings (as understood by this committee) are:

   Worshipping together
   Receiving ministers and candidates
   Interpreting our varied work and ministries to each other
   Linking to other courts in our connectional system
   Voting on overtures from other courts
   Reaffirming our relationships with each other

   It is difficult to realize these goals within our present pattern of four one-day meetings of Presbytery. A number of large presbyteries (Concord, Grace Union, Mission Union, and Arkansas Union) have discovered that by having two-day meetings, they are better able to realize the six goals enumerated above. The committee believes our presbytery's experience would be the same.

2. A Present Need in Our Presbytery

   Orange Presbytery has just been through a vigorous and spirited debate and an extremely narrow vote on the question of overturing the Synod to divide us. There is need now for a setting with sufficient time for some healing and reconciliation to take place. The committee believes that in a two-day meeting there would be ample time for God's Spirit to move us toward the oneness He desires for His Church at every level.

RATIONALE FOR HAVING THE SUMMER MEETING OF ORANGE PRESBYTERY BE FOR TWO DAYS

1. During the summer commissioners are more likely to be able to participate in a two-day meeting.

2. During the summer there is a good possibility that inexpensive housing might be available at a college near the host church. (Expenses for overnight lodging are to be borne by the local churches or the commissioners.)

3. The Summer Meeting Agenda, which includes the examination and reception of a large number of ministers, would be facilitated by a two-day meeting.

A TENTATIVE DOCKET FOR THE JULY 26-27 MEETING:

MONDAY, JULY 26

2:00 p.m.	Registration
2:30 p.m.	Opening and Announcements
3:00 p.m.	Report of the Commission on the Minister - Candidates and Ministers heard and examined in two groups

Commission on the Minister, Candidates, Camps and Conferences, Hunger, Campus Ministry, Church Development, Women's Work, Singles, and Actions of the General Assembly Meeting. Commissioners may choose to participate in any two of these groups, one on Monday and a different one on Tuesday morning.

5:30 p.m.	Dinner
7:30 p.m.	Worship Celebration - Special music and preacher, Dr. F. Wellford Hobbie, Professor of Pastoral Leadership and Homiletics at Union Theological Seminary, Richmond. He is also known denominational leader and has been contacted and indicated a willingness to be with us as the preacher for this service.
8:45 p.m.	Reception and Time for Fellowship

TUESDAY, JULY 27

8:45 a.m.	Worship - Dr. F. Wellford Hobbie, preacher
9:30 a.m.	Commission report will continue
10:30 a.m.	Interest Groups - Repeat of the Monday afternoon groups
11:30 a.m.	Presbytery Council Report
12:00 p.m.	Lunch
1:00 p.m.	Complete Council Report and other business

The two-day meeting of Orange Presbytery being proposed is to be seen as an experiment. The meeting would be evaluated by the Committee on Presbytery Meetings based on responses by commissioners.

COMMITTEE ON PRESBYTERY MEETINGS

Sam Pope, Chairman
Haywood Holderness, Commission of the Minister Representative
Henderson Rourk, Worship Committee Representative
Claude Godwin, Council Representative
Wyatt Aiken, Council Representative
Samuel S. Wiley, Staff Representative
Joyce P. Bauer, Staff Representative

6. That the October 26, 1982 stated meeting of Orange Presbytery be held at Hudson Memorial Presbyterian Church, Raleigh.

7. That Orange Presbytery initiate a search for a new Staff Director to serve a three-year term.

   (In addition to being an ordained Presbyterian Minister whose excellence in the theology and polity of the Reformed tradition is well established, this person should have proven management and process skills. Further, it is deemed desirable that this person not now be a member of Orange Presbytery.)

8. That Presbytery elect a Search Committee to nominate the new Staff Director.

9. That the Committee on the Interim recommend the following Search Committee for Staff Director:

   Carolyn Brown
   Lu Harvin
   Z. N. Holler
   Joe Mullin
   Edwin Pickard
   Jane Rourk
   Bill Compton

10. That the job description for the Staff Director as recommended by the Committee on the Interim be refined by the Executive Committee of Council.

11. That Orange Presbytery guarantee a loan in the amount of $30,000 to Wachovia Bank for the Kirk of Kildaire Church, Cary, for building additions.

For Information:

The Committee on the Interim has recommended the following for inclusion in the job description of the new Staff Director:

A. He/she is to serve as Staff Director and Coordinator of Staff, responsible to Council for assignment and continuing supervision of all staff members and their functions.

B. To serve as Stated Clerk (at Joyce Bauer's request).

C. To support Presbytery's study of its role and its implementation as contained in recommendations of the Moderator's Study Committee and adopted by Presbytery.

D. To develop immediate measures to aid in carrying out the role of Presbytery and to meet serious needs voiced in recent discussions of the possibility of a division of Presbytery.

REPORT OF THE MODERATOR'S STUDY COMMITTEE

Z. N. Holler, chairman, presented the Report of the Moderator's Study Committee which was adopted as a whole as follows:

REPORT OF MODERATOR'S COMMITTEE

I. Our Assignment

At its fall meeting in Asheboro, October 20, 1981, Orange Presbytery took the following action:

That Orange Presbytery answer the resolution of the St. Paul Presbyterian Church, Greensboro, to divide the Presbytery into two presbyteries in the negative and that the moderator appoint a committee to prepare a proposal for pursuing the matter of how presbyteries may best be structured in order to overcome the problems voiced in the debate of this issue and to report its proposal to the winter meeting of the Presbytery.

In accord with this, the Moderator appointed a broadly representative committee consisting of the following persons:

Rev. W. Claude Godwin, Jr.	Rev. Phyllis H. Kort	Mrs. Jessie Rae Scott
Mr. Tom Henderson	Ms. Shirley McNeill	Mr. Lloyd Skidmore
Mr. John W. Herndon	Rev. Joseph B. Mullin	Mr. D. J. Walker
Rev. Z. N. Holler, Chairman	Rev. H. Edwin Pickard	Rev. Charles Williams
Mrs. Mary Hayes Holmes	Mrs. Jane Rourk	

II. Our Procedure

The committee has met on two occasions in plenary session. In addition, the members of the committee have had wide-ranging conversations with sessions, various members of presbytery and other individuals whose knowledge and experience are relevant to our assignment. The members of presbytery's professional staff attended the plenary sessions and made valuable contributions to our discussions. Our work has naturally been informed throughout by the revelant portions of *Book of Church Order* and the *Plan for Reunion,* as well as the work of "The Committee on the Overture to Divide Orange Presbytery," A study by Lewis Wilkins proved especially valuable to us in tracing the historical development and characteristics of presbyteries in this country. In fact, this paper (written, unfortunately, in a rather turgid, esoteric style) is so valuable that we would suggest making it widely available to the churches of the presbytery through our resourcing centers. Finally, with the help of committee members and staff who were involved with the continuing work of the Council of Presbytery and its structures, our committee has managed to stay in touch with others whose responsibilities and actions impinge significantly on our own.

III. Our Findings

A. The first significant result of the committee's study and discussion was the discovery within our group of a strong consensus that, *having decided to move ahead as one presbytery we should do so with vigor and dispatch.* We are of the opinion that the main agenda for the coming months must be to let the past be past, to learn from its mistakes, to address our present deficiencies openly and energetically, and to press on together with full determination to be the united and effective presbytery which by God's grace we can become.

B. We have discovered that other leadership groups within the presbytery structure share this conviction, as is evidenced by recent actions and recommendations such as the following:

- Council's Executive Committee is moving immediately to set forth the current duties of all professional staff members in clear job descriptions.

- Council's Evaluation Committee is proceeding, immediately, with its work of program and staff evaluation as outlined in our present organizational manual.

- The Committee on the Interim is recommending the early employment of a "Staff Director."

- The Committee on Presbytery Meetings is continuing to explore means of making our meetings more open, less encumbered by organizational and administrative detail, more interesting and more significant as deliberative assemblies.

C. We have discovered little, if any, real support for a return to a different, older style of presbytery engaged primarily in administrative and court functions.

D. We have discovered what appears to be a general awareness that *Presbytery must be clear about its understanding of its role if the "problems" voiced in the debate of October 20 are to be overcome.* Form, after all, should follow function; and until we are in clear agreement on the role of the presbytery it seems unlikely that organizational changes can solve our problems.

IV. The Role of Presbytery

This is a basic question on which the presbytery should come to a clear agreement as soon as possible. The understanding of presbytery's role which has been implicit in the structure and functioning of "Big Orange" from its inception might best be characterized as the "strong presbytery" -built on the constitutional framework provided by the *Book of Church Order* and enhanced by the functions of the Council as set forth in our *Presbytery Manual.* It was of interest to our committee to discover that the very points at which our presbytery's role is strengthened by the council structure are the points at which the role of presbytery in the *Plan for Reunion* strengthens the familiar statements of the *Book of Church Order.* (A copy of the revelant section of the *Plan for Reunion* is appended to this report.) This correspondence between what we are trying to be and what a representative group of Presbyterians from around the nation is suggesting a presbytery *should be* is heartening. It suggests that the "strong presbytery" role set forth in the *Plan for Reunion* (regardless of the eventual fate of the Plan) is the sort of up-to-date role statement that would serve us well as a framework for developing our mission and refining our structures for the immediate future (six to ten years?)

But (someone will object), what of the "problems" we have encountered in trying to fulfill this "strong presbytery" role? In response the committee must answer that it is our considered opinion that such problems as we have encountered are *not* primarily due either to our size or to the enlarged role we have implicitly accepted for the presbytery. They have to do rather with the ways we have dealt with the difficulty of:

- setting and consistently pursuing clear and broadly accepted goals,

- maintaining two-way communication between the churches and presbytery and within the presbytery structures;

- evaluating programs and staff *and making adjustments based on such evaluations;*

- dealing openly with conflicts, misunderstandings, sectional feelings, and the like;

- allocating resources and personnel and developing programs that serve the unique mission needs and opportunities of individual congregations —i.e., programming *with,* rather than *for* the churches;

- supervising and coordinating staff activities and resolving conflicts within the staff.

So we conclude that a presbytery operation based on (1) the "strong presbytery" role described in IV, above and (2) enhanced by procedures developed to deal with the specific problem areas mentioned above, would serve effectively in supporting, guiding and resourcing our churches for their mission, while at the same time maintaining a strong base for ministries that can best be planned and carried out from within the regional framework of presbytery itself. If this is indeed the understanding of our role that is implicit in our operation to date, and if the problems we have noted are indeed the ones that presbytery wishes to address and correct during the next phase of our pilgrimage as Big Orange, we believe that the presbytery should say so by taking the following, or similar, actions:

V. Proposals

A. That this report be distributed immediately to our constituent churches with the request that it be discussed and that the sessions communicate to the Council as soon as possible (no later than the spring meeting of presbytery) their *approval* or *disapproval* of the "strong presbytery" role, along with any suggestions they may have for fulfilling this role.

B. That the Council make full use of the information received from the sessions in spelling out more fully the communicator/partner/servant role of presbytery staff as a whole and the personal and professional qualifications, responsibility, and authority of the proposed Staff Director.

C. That Orange Presbytery commit itself *now* to developing a plan whereby all the churches can be consulted and, in the light of those consultations, directions and priorities for developing presbytery's mission can be established; and further, that the groundwork for this development be laid by the Council as soon as possible so that the process itself can get underway very soon after the arrival of the new Staff Director.

D. That the Council of Presbytery be authorized to formulate and publicize a procedure for transition to the form of staff leadership to be implemented under the new Staff Director — such procedure to provide for a stated "shake-down" period after which decisions will be made by the Staff Director in consultation with Council concerning termination or continuation of present staff and assignment of individual responsibilities in the new staff configuration. It should be understood that this procedure is to provide for job security for present staff during the stated transition period, as well as a generous time for relocation, if such is required after staff decisions are made at the end of that period.

E. That the Moderator's Committee be dismissed.

Respectfully submitted,
The Committee

Appendix: (Section from the *Plan for Reunion*)

CHAPTER XI. THE PRESBYTERY

1. General

Presbytery is a corporate expression of the Church consisting of all the churches and ministers of the Word within a certain district. When a Presbytery meets, each church shall be represented by an elder commissioned by the Session with the following additional provisions:

a. Churches with membership over 500 shall be represented as follows:

501 - 1000	2 elders
1001 - 1500	3 elders
1501 - 2000	4 elders
2001 +	5 elders

b. Annually, during the first week of January, the stated clerk of each Presbytery shall ascertain the number of resident ministers who are members of the Presbytery and the number of elders which the churches are entitled to send as commissioners to Presbytery meetings. When the number of ministers is larger, the stated clerk shall bring the imbalance to the attention of the Presbytery at its first meeting of the year. The Presbytery shall redress the imbalance by inviting Sessions of particular churches to elect additional elder commissioners, with special attention to the concerns of G-9.0104.

c. Each elder elected moderator shall be enrolled as a member of the Presbytery for the term of office, whether or not commissioned by his or her Session.

In each Presbytery the minimum number of ministers shall be twelve and the minimum number of churches shall likewise be twelve. In an isolated area, upon recommendation of the Synod, the General Assembly may permit a Presbytery to be organized with fewer than these minimums, provided that there shall be at least five ministers in each Presbytery.

The Presbytery is responsible for the mission and government of the Church throughout its geographical district. It therefore has the responsibility and power:

a. To develop strategy for the mission of the Church in its area consistent with G-3.0000;

b. To coordinate the work of its member churches, guiding them and mobilizing their strength for the most effective witness to the broader community for which it has responsibility;

c. To initiate mission through a variety of forms in light of the larger strategy of the Synod and the General Assembly;

d. To implement, consistent with G-9.0104, the principles of participation and inclusiveness in employing its personnel and in establishing the membership of its committees, councils, boards and other policy making and policy recommending bodies, in order to assure fair representation in its decision making and in the election of commissioners to Synod and the General Assembly. Its Committee on Representation shall report directly to the Presbytery, and shall be empowered to make recommendations to correct situations of unbalanced representation, including the recommendation that the Nominating Committee reconsider its nominations;

e. To counsel with a particular church where the various constituencies of the congregation are not represented on a Session;

f. To provide encouragement, guidance and resources to its member churches in the areas of leadership development, church officer training, worship, nurture, witness, service and stewardship;

g. To provide pastoral care for the churches and members of Presbytery, visiting Sessions and ministers on a regular basis (G-11.0502c);

h. To organize new churches and to receive and unite churches in consultation with their members;

i. To divide, dismiss or dissolve churches in consultation with their members;

j. To control the location of new churches and of churches desiring to move;

k. To take special oversight of churches without pastors;

l. To receive under its care candidates for the ministry and to dismiss them to other Presbyteries;

m. To elect readers of examinations for candidates for ordination at the request of the Presbyteries' Cooperative Committee on Examinations for Candidates;

n. To ordain, receive, dismiss, install, remove and discipline ministers;

o. To establish the pastoral relationship and to dissolve it at the request of one or both of the parties, or when it finds that the Church's mission under the Word imperatively demands it;

p. To designate ministers to work as teachers, evangelists, administrators and in other forms of ministry recognized as appropriate by the Presbytery;

q. To receive under its care persons preparing for professional service in the Church, and to commission them when appropriate (G-14.0102);

r. To serve in judicial matters in accordance with the Rules of Discipline;

s. To assume original jurisdiction in any case in which it determines that a Session cannot exercise its authority;

t. To maintain regular and continuing relationship to the higher governing bodies of the Church, including:

Electing commissioners to the Synod and to the General Assembly and receiving their reports,

Seeing that the orders of higher governing bodies are observed and carried out,

Proposing to the Synod or the General Assembly such measures as may be of common concern to the mission of the whole Church;

u. To establish and maintain those ecumenical relationships which will enlarge the life and mission of the Church in its district;

v. To establish and superintend the agencies necessary for its work, including a Presbytery Council, providing for the regular review of the functional relationship between Presbytery's structure and its mission;

w. To establish a nominating committee composed of equal numbers of ministers, laymen and laywomen (i.e., one-third each);

x. To review Session minutes and records at least one each year;

y. To consider and act upon requests from congregations for permission to take the actions regarding real property as described in G-8.0000.

A motion passed that visitors be invited to sit as visiting brothers and sisters.

A motion passed that the Memorial be spread upon the pages of the official Minutes of the Orange Presbytery and be forwarded to the family of Jack Davidson. Annie D and Ann Davidson were present for the service. Samuel S. Wiley led the court in prayer for the family of Jack Davidson.

MEMORIAL: JACK BEDFORD DAVIDSON

We chronicle Jack's past with gratitude to God. Born at Black Mountain, N.C., July 24, 1915, he was granted from Davidson College and Union Theological Seminary in Virginia, and ordained to the ministry in 1945 by Asheville Presbytery. He served churches as a practicing pastor: First Presbyterian, Highlands, N.C. Presbyterian Churches in Spencer, N.C., Pendleton, S.C., and the First Presbyterian Church, Marion, N.C. from which he was called in 1966 by Old Granville Presbytery to become Camp Director at Presbyterian Point and pastor of the Nutbush Presbyterian Church, Townsville, N.C. Under his vision and work the camp program quickly expanded, so that in 1971 he became full-time Director. He was retired from that position and from the active ministry at his own request by Orange Presbytery, December 31, 1978 and moved to Pendleton, S.C. where he died December 8, 1981.

In May, 1943, he married Annie Randolph McLauchlin of Richmond, Virginia and a son and daughter were born from the marriage.

We give thanks for his life and work, and take courage. There is no measuring of Jack's influence as husband, father, pastor, camp director, friend, human being. A large part of his life was lived out under persistent pain in his body, but Jack seldom complained. He was a bundle of energy loping across the camp grounds, scurrying around the kitchen, driving into Townsville or Henderson for some needed supply, or packing up with a group for the next hike up the Peaks of Otter which he loved. The pipe was part of his image, and how often he secured a few moments to put his thoughts or feelings together by whipping out a tobacco pouch, stuffing the pipe, and striking a succession or matches!

A host of young people who served on his camp staffs, attended the camps and conferences, or hiked with him on back-packing ventures, can testify to how Jack helped them grow up, come through crises, and find themselves again.

He was multi-talented. His woodshop was his hobby and his therapy. He was an excellent cook, everything acceptable except his coconut (which he loved) ice cream! He was plumber, electrician, carpenter, administrator, counselor, naturalist, and always the minister-teacher "rightly dividing the word of truth."

The secret of Jack's life was an "open secret": he lived by daily grace through his commitment to Jesus Christ. He never advertised his piety, never blew any trumpets before him, and never commanded the spotlight. He was by his own estimate, "one of the least of these, my brethern" of whom our Lord spoke, but for a company of folk who shared life with Jack, he belongs to the company of the "greatest" because he made himself "servant of all."

RETIREMENT OF ROBERT LEE TURNER

Action was taken that Presbytery concur with the request of Robert Lee Turner, pastor of the Smyrna and Wentworth Churches that he be Honorably Retired effective April 25, 1982. Robert and Mrs. Turner were presented a plaque denoting Honorable Retirement from Orange Presbytery.

A RITE FOR THE RETIREMENT OF AN ORDAINED MINISTER FROM ACTIVE SERVICE IN THE PRESBYTERIAN CHURCH IN THE UNITED STATES

A. The Call to Worship

The Leader shall say:

"Everyone will please join in the unison reading from Psalm 95."

O come, let us sing unto the Lord: let us make a joyful noise to the rock of our salvation.
Let us come before His presence with thanksgiving, and make a joyful noise until Him with psalms.
O come, let us worship and bow down: let us kneel before the Lord our maker.
For He is our God; and we are the people of his pasture, and the sheep of His hand. Today if you will, hear His voice.

B. The Presentation of the Retiree

"Ms. Moderator,

This is a high occasion for the Presbytery of Orange as we strive to accord recognition to one of our fellow members at the advent of the long-viewed retirement from active service in this ministry.

The teaching elder being so honored today is Robert L. Turner. This man has touched all steps prescribed in the *Book of Church Order.* (Ch. 28-3). He has been invited to appear before this session of the Presbytery of Orange to be a part of the Court's official retirement action.

Ms. Moderator, it is an honor for me to present to the Court Robert L. Turner.

And the Moderator shall say:

"The occasion of your retirement is here. We celebrate with deep

gratitude the various ways in which you have exercised your ministry in the Church with zeal and wisdom, and we thank Almighty God for His providence shown to the world through you. You have inspired congregations of people as well as those of us who have taken part in this ministry with you."

Prayer:

Loving Father,

We are thankful for the years of faithful and fruitful service in the Church evident in the life of Robert L. Turner, for his diligent witness and good works, for essential support and a mature life of faith pursued by the people of his house whose witness has been a force of its own.

Continue, we pray, to call Robert L. Turner to serve you in new and fruitful and satisfying ways and continue to keep him in your grace.

Through Jesus Christ, our Lord and Master,

Amen.

D. The Declaration of Retirement

"Now hear ye this:

The Presbytery of Orange this day, February 23, 1982, meeting at First Presbyterian Church, Burlington, N.C., does now pronounce and declare that The Reverend Robert L. Turner is retired with distinction from the roll of active pastors in the Presbytery of Orange effective April 25, 1982."

E. The Doxology

F. The Benediction

"On behalf of the Court I extend my loving gratitude and best wishes. As a visual reminder of this hallmark event of our very great esteem, we now present to you this certificate which says . . . (read).

And the Lord bless and keep you.
The Lord make His face to shine upon you, and be gracious unto you;
The Lord lift up the light of His countenance upon you, and give you His peace.

Amen."

The Court observed a five minute recess in order to greet the retiree.

WORSHIP AND COMMUNION

The court was led in worship by Charles Williams and Phyllis Kort. Samuel S. Wiley preached the retiring moderator's sermon using as his texts, Matthew 23:23 and Micah 6:8 and the title, "The Weightier Matters of the Law". The ruling elders of the First Church, Burlington served communion to the court.

LUNCH

The court adjourned for lunch at 12:30 p.m.

COMMITTEE ON RESOLUTIONS

Donald Nance, chairman of the Committee on Resolutions, presented the Resolution of Appreciation which was adopted by the court:

We express our appreciation to the Officers, Staff and Congregation of the First Presbyterian Church, Burlington, N.C. for their gracious hospitality to Presbytery during our February meeting. They have carefully cared for our needs from arrival to departure. Especially do we thank those who have prepared and served the noon meal, those who received us upon our arrival, those who provided directional signs, and those who served our morning refreshments.

We express a word of thanks to the Reverend Samuel S. Wiley for his leadership during the past year and to Mrs. Jane Rourk for leading our meeting today. We are grateful that God has permitted Mrs. Dorothy Barnard, Moderator of the General Assembly, Presbyterian Church, U.S. to be with us today.

We have been inspired through our periods of worship, communion, and the beautifui sanctuary in which we met.

We praise God for His presence with us, His leading us through our consideration of issues, and His challenging us as we move into the year 1982.

Respectfully submitted this the 23rd day of February, 1982 by Donald C. Nance and Keith Kyser.

GENERAL ASSEMBLY MODERATOR ADDRESSES COURT ON "STATE OF THE CHURCH"

Mrs. Dorthy Barnard, Moderator of the General Assembly, Presbyterian Church, U.S., addressed the court on the "State of the Church". She spoke of her travels to sixty presbyteries and ten countries where we presently are engaged in mission during her service as Moderator. She stated that the Church is "alive and well" and that we should renew our commitment to being a vital part of a caring Church. The union of our denominations is already happening through sixteen presbyteries which are already union and

another voting this month, she stated. We should seek union through the formal process of voting on the proposed Plan of Union rather than through presbyteries becoming both PCUS and UPCUSA, which is less desirable and relates to both structures. She especially requested the prayers of our people for those who are in prison in our denomination in other parts of the world.

REPORT OF THE ADMINISTRATIVE COMMISSION ON THE WESTVIEW CHURCH

REPORT OF ORANGE PRESBYTERY'S ADMINISTRATIVE COMMISSION FOR WESTVIEW PRESBYTERIAN CHURCH
February 12, 1982

This Administrative Commission was established by action of Orange Presbytery on October 1, 1981, at its meeting in Burlington. The purpose of the Commission was to act on Presbytery's behalf to look into the difficulties at Westview, and to provide assistance to the Session in resolving these difficulties.

The Commission has held four meetings for its work, three meetings with the session, and one meeting open to members of the congregation.

The following is a brief report on the progress made in the Commission's work with the church.

1. Supply Ministers - Occasional Supply ministers were secured for the October, November and December worship services. The Sunday evening services and Wednesday evening services have been led by ministers and elders.

2. Severing relationship with the minister - The minister continued to have use of the manse until November 14th, and the manse is now vacant.

3. Moderator for session - The session has met almost weekly to give the time necessary for the extra work. Moderators have been approved by the session, and the Commission Chairman has served at some of the regular meetings.

4. Pulpit Nominating Committee - The need to move ahead with the formation of a PNC was an important matter in the session's view. The church was referred to the Commission on the Minister, and through regular procedure, called a congregational meeting for December 20th and elected the Committee. They are now in the process of filling out the necessary forms and evaluating their needs.

5. Sermon by the Minister - The sermon which raised 12 issues of concern in the Presbyterian Church's doctrine and practice were addressed by the church in two consecutive Sunday night panel discussion forums. Ministers Steve Gadaire, Warren Brannon, Charles Williams and Norman Whitney were invited to lead the presentations.

6. Commission on the Minister misunderstandings - The session had some serious concerns regarding the relationship with the Commission during the time of its work with the minister and the church. A meeting was held with the session and Commission representative to discuss the difficulties. A copy of their suggestions will be forwarded to the Commission on the Minister for its consideration.

7. Loss of elders and members - From the outset it was clear that some elders and members would leave the church, and such has been the case. To date six elders have resigned, leaving twelve active elders on the Session. The congregation has acted to continue the present session through 1982. Approximately one third of the members have left the church.

8. Interim Supply - In January the session took action to call the Rev. Charles Klotzberger as Interim through June 1982. He has been approved as Moderator of the Session by the Commission.

There are no further major problems at Westview at this time being considered by the Commission. It is our recommendation that the Commission be continued until such time as its task is completed.

Administrative Commission: Paul Woodall, Edsel Huffstetler, Elizabeth Wood, D. J. Walker, Alan Keith-Lucas, Marjorie Whitaker and Bob Scott.

E. That the Presbytery hear the report of the Committee to Study Minimum Salary Standards in Orange Presbytery and act upon its recommendations.

STANDARDS FOR MINIMUM COMPENSATION OF MINISTERS IN ORANGE PRESBYTERY

Wilson Gunn presented the paper on Standards for Minimum Compensation of Ministers in Orange Presbytery. The paper was adopted as a whole with one additional recommendation (which would be #8).

8. That Orange Presbytery reaffirm its standard of one month vacation annually, two weeks study leave annually and moving expenses paid by the calling congregation for ministers.

STANDARDS FOR MINIMUM COMPENSATION OF MINISTERS IN ORANGE PRESBYTERY

The Commission and Council appointed a joint committee to examine the present minimum salary standards of the Presbytery and offer recommendations for adjustment.

The Committee consulted with adjacent presbyteries and examined conditions in the seventeen county area covered by Orange Presbytery and recommends the following changes in Standards of Compensation, (Sections I, II and III).

The report represents a significant change in philosphy for the Standards of Compensation in that it is based on MEDIAN FAMILY INCOME (averaged for our seventeen counties). It also takes into consideration the Standards of Compensation that have been established in Fayetteville Presbytery and Concord Presbytery which are:

Fayetteville Presbytery

Cont. Ed.	500.	500.

Total	$20,288.	$25,852

The Presbytery is reminded that the present Standards for Compensation were set in October, 1976 and revised in 1979, at which time the salary was not changed. During the past five years inflation has increased by more than 50% thus reducing the value of the cash salary by a substantial amount.

The Standards for Compensation for DCE's are recommendations to Sessions as guidelines when they are seeking to employ such people for church staffs.

The Committee is composed of Marsha Hooks and Wilson Gunn from the Council and Roger Johnson and Richard Hildebrandt from the Commission on the Minister.

SECTION II

CONDITIONS AND EXPLANATIONS TO FORMAT LOGIC AND CALL AGREEMENT

A. Shelter Allowance Explanation *(The following is an explanation of Steps 2 and 4 in the format steps for establishing ministers compensation.)*

The Committee determined that the use of U.S. Department of Commerce share-of-income for shelter of 29% is an appropriate per cent to consider in evaluating shelter expense for ministers with or without manses. Since this amount includes the U.S. Department of Commerce total cost of shelter, this is considered a fair and equitable approach to address the issue of either the minister living in a manse or buying a house.

Since the acceptance of the 29% shelter allowance set by the U.S. Department of Commerce includes the total value of shelter, churches requiring the minister to living in a manse, will assume the cost of utilities and maintenance connected with the operation of the manse.

Recognizing that home ownership by the minister is another way for churches to provide shelter for their minister, the shelter allowance, should, in so far as possible include, all costs of home ownership.

B. Explanation of the Substance of Annuity Base *(The following is an explanation of Step 5 in the format steps for establishing ministers compensation.)*

The annuity base is comprised of the minister's base salary and shelter allowance. Professional expenses are not considered as a part of the annuity base.

SECTION III

OTHER MINIMUM REQUIREMENTS

1. The minister shall receive one month's vacation with pay each year.

2. The minister may take up to two weeks of continuing education time for study annually. Study leave may be accumulated as mutually agreed and made an official part of the call.

3. Moving expenses to the field are to be paid by the church.

2. That the 29% share of income for shelter as determined by the U.S. Department of Commerce be used in establishing the shelter minimum allowance of $5,620 for Orange Presbytery.

3. That the cost of utilities and maintenance connected with the operation of the manse be paid by the local church.

4. That the churches of Orange Presbytery, paying above the base salary of $13,759 be reminded of the 13.9% increase in the Median Family Income and use this as a guide for setting 1982 salary levels for their ministers.

5. That Sessions be made aware of the recommended minimum standards for DCES.

6. That these standards for minimum compensation of ministers in Orange Presbytery will take effect January 1, 1983.

7. That the $500 Continuing Education Allowance be dispersed by the local church only as spent on Continuing Education (i.e., books, journals and continuing education events which further the minister's professional skills).

Income data published in Sales and Marketing Management magazine's "Survey of Buying Power", which is issued annually: The "Survey of Buying Power" provides estimates for the previous year for every county in the United States, for every state, for metropolitan areas, for the larger cities, and for surburban areas of metropolitan areas.

Median family income and per capita income data from the Bureau of Census: Information is provided for every state, every county in every state, all incorporated cities, all incorporated cities and "places" with a population over 2,500, and selected minor civil subdivisions. The data used comes from current year publications, which provide data down to the sub-county level, and from detailed data from the 1970 U.S. Census.

Trend reports on income levels and economic conditions for the entire United States, and several-state Regions, which are issued annually and monthly by the U.S. Department of Commerce and the U.S. Department of Labor.

Latest available data from individual counties, cities, and places are utilized as a basis for the above estimates. A projection is made to the current year on the basis of trends in individual localities, and on the basis of national economic and income trends.

LUNCH

The court adjourned for lunch at 12:00 noon.

COMMITTEE ON RESOLUTIONS

Carolyn Brown, chairman of the Resolutions Committee, presented the Resolution of Appreciation which was adopted by the court:

From before our arrival in West Raleigh this morning, we have been aware that we were being thoughtfully and thoroughly prepared for by the congregation here. Usable maps in the Orange Book directed us to the area where we were met by friendly people who knew where we wanted to go and how we could get there.

Provisions have been made for those who walk and for those who prefer to ride in the comfort of buses.

We were welcomed to a fresh flower-filled building where we were offered refreshments and most recently a fine meal. Further nourishment has been provided in worship led by Dr. A. M. McGeachy, Carol Lynn McKnight, Walter Ross and the handbell choir.

All of these amenities and the spirit in which they have been offered have

set a scene in which our business could be conducted in an atmosphere that facilitates our work and fellowship together.

Let us therefore express our appreciation for all these services and the hours of work that made these services appear so natural and effortless.

WOMEN OF THE CHURCH

Grace Hartzog, new president of the Women of the Church of Orange Presbytery, was introduced to the court. She reported that about 600 women attended the annual meeting at the Alamance Presbyterian Church in Greensboro on April 19-20. The offering was approximately $800. Colleen Townsend Evans, writer and lecturer, National Presbyterian Church, Washington, D.C., was the speaker.

REPORT OF THE COUNCIL

H. Edwin Pickard, chairman, presented the report of the Council of Orange which was adopted as amended:

II. The Council reports the following as information:

1. That up to 60% of the remuneration of Sam Wiley from Orange Presbytery has been designated for housing.

2. That up to 60% of the remuneration of Nancy Morris from Orange Presbytery has been designated for housing.

3. That the Council has commended the Committee on the Interim and has dismissed them with thanks for a job well done.

4. That an Interim Planning Committee of the Council has been established:

   a. to receive, review, and collate responses from the churches to the Moderator's Study Committee and to submit these responses to the Council for consideration.

   b. to prepare interim changes in procedures and programs to appropriate portions of Presbytery's structure in order to prepare for a more thorough planning process.

   The committee is to be chaired by Z. N. Holler (chairman of the Moderator's Study Committee and Vice-chairman of the Council). A representative is being named by each Section of the Council, the Commission on the Minister, and the Nominating Committee. The Moderator and Staff Director complete the committee.

5. That the Search Committee for a Staff Director has been convened and has elected Joe Mullin as chairman. They are now hard at work and solicit suggestions of possible candidates from Sessions and individuals in Presbytery.

6. That Council has reviewed Staff Job Descriptions for Jim Watkins and Don Cooper. It has adopted a job description for Joyce Bauer assigning her duties in three areas: Stated Clerk, Office Manager and Treasurer. She will continue to staff committees in these areas. Other committees previously seeking Joyce Bauer's resourcing are to be referred to the Interim Staff Coordinator for redirection. The Council has recognized Joyce Bauer's request for less than full-time employment. It suggests that this request be dealt with expeditiously at the time a new Staff Director is secured. Until that time, she is employed on a full-time basis.

7. That, acting on a motion of its Special Missions Section, the Council has approved the current budget of the Presbyterian Urban Council of Raleigh; approved preparation by the Hunger Task Force of a filmstrip, cassette program on Zaire that will be given to each public school system in the state and to regional media centers of the State Department of Public Instruction; included twenty minutes at the April meeting of Presbytery to hear representatives regarding the future of our Zaire involvement and Bread of the World.

8. That Council has asked its Special Missions Section to investigate the instigation of a Presbytery Peacemaking Strategy.

9. That Council, as requested, has divided the combined Finance/Stewardship Education Committee of CAS. The Stewardship Education Committee has been directed to plan and carry out the 1982 Stewardship Campaign, staffed by Sam Wiley and Don Cooper; the Leadership Development Section is to take a look at on-going Stewardship Education.

10. That all Sections elect vice-chairmen to expedite their work when chairmen are unable to be present.

11. That the Executive Committee of Council has reviewed and refined the job description for the new Staff Director as directed by the Court. It has added an item "e". "To establish with the Long Range Planning Committee a process for continuous communication between the administrative structure of Orange Presbytery and the local churches, in order to enable effective resourcing for their ministry."

12. That CAS has been asked to codify the Operations Manual and recommend a revised version to Council and to Presbytery.

13. That the Search Committee and moving expenses for a Staff Director come from the difference between the present salaries paid from the Staff Director line item and the line item itself (the lapsed salary).

14. That at the request of the Search Committee, the maximum range for the total compensation package of the Staff Director would be from $39,000 to $45,000 annually. (Research from other similar size presbyteries indicate that salary packages are at this level or above.)

15. That the Minutes of the February 23, 1982 meeting of Presbytery be approved.

16. That future Presbytery meetings be: February 22, 1983, Durham First; July 26, 1983, Cross Roads, Mebane.

RECOMMENDATIONS TO PRESBYTERY

1. That Orange Presbytery accept the invitation of the PCUS and UPCUSA Moderators of the General Assembly to participate in the "Looking to the Future" meeting with UPCUSA leaders on May 26, 1982 from 4-9 p.m. and that Orange Presbytery invite 50 members to be selected by the Moderator of Orange Presbytery and the Chairman of the Council. (The Moderator, Chairman of the Council, and Staff Director were to meet with their UPCUSA counterparts on April 13, to work out details for implementation if approved.) (passed)

2. That Orange Presbytery approve the principle of a Capital Funds Campaign in coordination with or alongside the General Assembly Capital Funds Campaign. (passed as amended)

3. That Presbytery also establish a Foundation by directing the creation of a charitable corporation. POSTPONE UNTIL THE JULY MEETING OF THE COURT.

4. That each Section of the Council and Commission on the Minister examine long term needs (5 years) which might be included in a capital funds campaign (being aware of the economic realities) and have its written data to the Committee on Accumulated Resources (in Presbytery office) by August 20, 1982. (passed)

5. That changes in Call for Winona Jones duCille be approved as follows:

Base Salary	$10,442
Housing	5,623
MAF	1,928
Major Medical Insurance	533
Travel	1,600
Continuing Education	500
Total Package	$20,626

(passed)

6. That Presbytery authorize the application for a loan from the Synod of North Carolina by the Oxford Presbyterian Church in the sum of $17,000 for re-roofing the church. (passed)

Motion that the report of the Council be adopted as amended.

HUNGER TASK FORCE

Dorothy Temple, chairman of the Hunger Task Force, and Elizabeth McPherson spoke of their trip to the Mbujimayi Health and Nutrition Center, Zaire.

GENERAL ASSEMBLY MISSION BOARD

A. M. McGeachy spoke of the work of the Mission Board. International Missions is a partnership with other countries. There are 40 extra new missionaries with the possibility of 60 new ones for 1983.

REPORT OF CAMP SECTION

REPORT OF THE WOMAN CHAPLAIN

Winona Jones duCille spoke of her work at the North Carolina Correctional Center for Women in Raleigh. There are now 614 women at the Center. This overcrowding breeds higher friction levels. There are schools where trades may be taught. Less idleness equals less crimes. The future of funding for the woman chaplain for the end of term is at hand. All seven presbyteries must be responsible for funding also cost of ministry, which is approximately $30,000 annually.

REPORT OF THE MEN OF THE CHURCH

David Thompson, president of the Men of the Church of Orange Presbytery, spoke of the work of the men in Orange Presbytery. Synod's Men's Conference will be June 25-27 at Banner Elk - Lees-McRae College. The PCUS Men's Convention will be in Atlanta on October 21-24. There is a need for more involvement.

RESOLUTION OF THANKS

Whereas the Presbytery of Orange, in session July 26-27, 1982, at Starmount Presbyterian Church in Greensboro, North Carolina, is now concluding its first two-day meeting; and

Whereas this extended meeting has required a greater commitment of time and effort for all involved; and

Whereas this meeting has been an extraordinarily enriching and enjoyable experience for worship and work, of fellowship and refreshment, be it resolved, therefore, that our gratitude be expressed:

To God for his good purpose and gracious providence manifested in this meeting;

To the special Committee on Presbytery Meetings for planning the two-day agenda;

To the members, officers, and staff of Starmount Presbyterian Church for the most caring and competent manner in which they carried out the many tasks involved in hosting Presbytery during this extended session, i.e., the arrangement of facilities, the greeting and assistance of presbyterys, and the serving of refreshments and meals, all of which contributed greatly to this most worthwhile and pleasant convocation of the court;

To the Moderator, Mrs. Jane Rourk, other members of Council, and Staff whose excellent leadership with good spirit and stewardship enabled the Presbytery to achieve the objectives of its agenda with a gratifying sense of fulfillment;

To Interest Group leaders for their enrichment of the meeting with information and resources concerning subjects of interest to the presbyters;

To the ordinands and ministers examined for presbytery membership whose sermons and testimonials witnessed to God's grace and truth; and

To all leaders of worship, and particularly to the guest preacher, the Reverend F. Wellford Hobbie, Professor of Homiletics at Union Theological Seminar in Richmond, Va., the organist and choir director, Mr. Robert L. Blocker, other musical instrumentalists, and the choir composed of singles from Faith, St. Paul, Starmount, and Westminster Churches whose ministries enabled presbyterys to worship most meaningfully in spirit and truth. Thanks be to God!

And be it further resolved that we give thanks to God for his helping providence in sustaining Joyce Bauer in recent surgery for his healing power in the restoration of her strength; and that we assure her of Presbytery's best wishes and prayerful support during these days of her convalescence.

REPORT OF THE COUNCIL OF PRESBYTERY

H. Edwin Pickard, chairman, presented the report of the Council of Orange Presbytery as follows:

II. The Council reports the following as information:

A. The Council approved the nomination of the Rev. Sam Hope, Montreat, to participate in a Peacemaking Travel Seminar to Russia in September, 1982. It is understood that, although Sam Hope is a nominee of Orange Presbytery, there will be no financial commitment from Orange Presbytery.

B. The Council approved the expenditure of funds necessary for the meeting on May 26, 1982 at First Presbyterian Church, Durham, for conversations with the UPCUSA Moderator (Robert Davidson) and the PCUS Moderator (Dotty Barnard). An equal number of participants from the overlapping UPCUSA presbyteries (Yadkin and Cape Fear) were invited. The expense of the dinner was divided by the presbyteries.

C. The Council approved the appointment of a nine-member task force by the Special Missions Section with the responsibility for brining to the churches of Orange Presbytery the issues and resources related to refugee resettlement.

D. The Council approved the preparation of a report by the Court Administrative Section concerning the utilization of the present computer: (1) Operator and programmer concerns and needs; (2) What is being produced on the computer as it now exists?; (3) What is going to be produced with the recommended addition of hard disks?; (4) What are the long-range expectations of need for the computer in the next five years?

E. The Council was already sufficiently convinced of the imperative need for the addition of hard disks to approve the expenditures of up to $8,000, including a loan of up to $5,500 over a three-year period for the ncessary hard disk equipment for the computer.

F. In response to Presbytery action at the April meeting asking that the Commission and Council study the possibility of reestablishing a Home Mission Committee to help small churches to meet Presbytery's minimum salary requirements, the Council has asked its Church Development Section to work with the Commission in studying this possibility.

G. The Council has heard updates from Joe Flora regarding the work of Synod's Coordinating Council and Sandy McGeachy regarding the work of the General Assembly Mission Board. This kind of dialogue with representatives of Presbytery on these bodies keeps everyone informed about what the others are doing.

H. A subcommittee has been appointed from CAS to prepare a manual of policies for the operation of the Council and Orange Presbytery. This new manual will update parts of the old manual (which was suspended by Presbytery at the time of the restructure of Presbytery) and subsequent actions. This recommended manual is to be completed by the Council meeting of October 5.

I. That a Computer Data Entry Clerk / Secretary is to be employed by the Interim Staff Director assisted by a committee consisting of Joyce Bauer, Lloyd Skidmore, and John Van Bruggen. The person selected will be provided a 30-day probationary period. The salary range is to be worked out by the Interim Staff Director after consultation with Court Administrative Services and Joyce Bauer as office manager. This person is to be employed as soon as funds are determined to be available for this purpose.

J. That a proposal for presbyteries to assume responsibility and authority for Presbyterian Campus Ministry within their own geographical bounds has been responded to by the Council of Orange Presbytery by asking that this proposal be reconsidered by the negotiating parties in view of the larger picture of campus ministry within the Synod and the most desirable means of supporting and supervising campus ministries in the future.

K. That Council is distribuing to pastors and clerks of sessions a paper by Dr. John H. Leith, "Evangelism in the Reformed Tradition," and encouraging that this be studied and utilized to inform and to inspire evangelistic efforts in our congregations.

L. Tim Bird spoke on the Presbyterian Men's Convention in October in Atlanta, Georgia.

M. The Search Committee reports that the committee is hard at work and has interviewed seven candidates for the position of Staff Director.

III. The Council reports the following for action:

A. That a Presbytery Task Force on Peacemaking be appointed, as requested by the 121st General Assembly in 1981, for the purposes of: (1) assisting congregations in peacemaking efforts, and (2) initiating and developing appropriate peacemaking efforts at the Presbytery and Synod levels, seeking ecumenical channels for such efforts where possible . . ."

B. That Orange Presbytery approve the 1981 Audit of Orange Presbytery as prepared by Ernst and Whinney, and that the Audit be printing in the official minutes of the Presbytery.

The Presbytery Council received 34 responses to the action of Presbytery (2/23/82), requesting that sessions communicate to Council their approval or disapproval of the "strong presbytery" role described in the report of the Moderator's Committee, and that with such approval/disapproval they communicate also any suggestions they had for fulfilling Presbytery's role. Every response was greatly appreciated and read with care. Of the 34, 10 responses consisted of a simple statement of "approval." Another 15 combined approval with comments and suggestions. Of the remaining, 9, 4 neither approved nor disapproved but did offer comments and suggestions; 4 disapproved, giving their reasons; and 1 found the report incomprehensible.

The following is a summary of the major suggestions received:
— presbytery meetings less cluttered by administrative detail and more accessible to the laity;

— open and regular two-way communications between presbytery structures and all the churches;

— a caring, pastoral relationship between presbytery personnel and the smaller churches, who often feel "forgotten";

— a competent, imaginative staff that is known personally through regular contact with the churches and is effectively directed by a leader at whose desk "the buck stops";

— an effective council whose role, like that of the staff, is service-oriented and cooperative in nature, not domineering or controlling.

A few copies of the full catalogue of responses from the churches are available from the Stated Clerk for perusal by those who are interested in this information.

The Interim Planning Committee believes that the responses above are consistent with the role of presbytery and presbytery staff set forth in the report of the Moderator's Committee IF "strong presbytery" is understood NOT in a rigid or authoritarian sense but as a descriptive term for:

— a presbytery with clearly stated, broadly accepted goals and priorities that have been developed and are constantly adjusted through two-way communication with its member churches;

— a presbytery which has an effective council structure and staff whose primary purpose is to help all member churches to be faithful and effective in Christian mission individually and together;

— a presbytery that provides pastoral encouragement, guidance and support to its congregations, sessions, pastors, and other church professionals;

— a presbytery that deals honestly and creatively with the inevitable differences, tensions and conflicts that arise in a vital church organization.

This, we believe, fairly represents what the Moderator's Committee intended by the "strong presbytery" role. It also seems to us a fair description of the role that a very large majority of the 34 responding churches favored for Orange Presbytery.

C. That Presbytery hear Richmond G. Bernhardt, Jr. and D. J. Walker, Jr., members of the Committee on Accumulated Resources.

D. That Orange Presbytery approve the creation of a Foundation for the purpose of providing a vehicle to receive deferred gifts, and gifts from wills, trusts, and estates.

E. That Orange Presbytery approve the Charter and By-laws of the Orange Presbytery Foundation.

Summary of Provisions of Legal Documents for the Organization of the ORANGE PRESBYTERY FOUNDATION, INC.

1. Articles of Incorporation

This document establishes the Orange Presbytery Foundation, Inc. for charitable and religious purposes, exclusively, which are in furtherance of the mission of Orange Presbytery. The members of the Accumulated Resources Committee are named as initial trustees with the Presbytery to elect the successors at the next meeting following the adoption of the Articles of Incorporation. The document contains the necessary language to make this corporation tax-exempt under U.S. and State Revenue Laws.

2. By-Laws of the Foundation:

It further provides that there shall be no less than eleven and no more than fifteen Trustees who shall be nominated by the Nominating Committee of Orange Presbytery and shall be elected by Orange Presbytery. N one shall be eligible to reelection for a period of two years who has already served a full three year term. The Trustees are to elect their own chairman, and the chairman of the Council of Orange Presbytery shall be an ex-officio trustee. The Trustees are to make an annual report to the summer meeting of Presbytery, and the Foundation's books are to be audited annually. The by-laws further provide that two-thirds of the Trustees are necessary to constitute a quorum for the transaction of business.

The Trustees are granted authority to invest and re-invest the property of the Foundation in such investments as they deem advisable from

time to time, provided none of the property shall be loaned to any Trustee, or to anyone who has made a contribution to the Trust, or to anyone except on the basis of adequate interest and security, except loans made to those charities for which this Foundation is organized.

The Trustees are also granted authority to sell and exchange property in the Foundation from time to time as deemded advisable; to borrow money; to execute deeds and legal documents when necessary; to vote the shares of stock of any corporation which the Foundation holds, and to join with other shareholders in the reorganization of any corporation, and to use the services of any bank or trust company and to pay for such services. G. That the attached report concerning responses to the report of the Moderator's Study Committee be published in the Orange Book and received as information by Presbytery.

H. That the Presbytery be reminded of the action at the stated meeting of February 23, 1982:

"That the Council of Presbytery be authorized to formulate and publicize a procedure for transition to the form of staff leadership to be implemented under the new Staff Director — such procedure to provide for a stated "shake-down" period after which decisions will be made by the Staff Director in consultation with Council concerning termination or continuation or present staff and assignment of individual responsibilities in the new staff configuration. It should be understood that this procedure is to provide for job security for present staff during the stated transition period, as well as a generous time for relocation, if such is required after staff decisions are made at the end of that periods."

and that, in response to this directive, the following transition/relocation schedule is admitted to record:

— the "shakedown period" called for in the action above will be six months, beginning when the new Staff Director assumes his/her duties;

— in the case of Bauer and Cooper, whose contracts with presbytery expire December 31, 1982, the "generous time for relocation" (if such proves necessary) is to be six months beginning at the termination of the shake-down period;

— in the case of Watkins, whose contract does not terminate until December 31, 1983, relocation (if such proves necessary) is to be accomplished within the period of the existing contract.

— in the case of the Camp Program Director, who because of urgent needs in our camping program is being employed now for a three-year term by instruction of Presbytery, that term is to be honored, and candidates for the position of Staff Director are to be informed of this necessary exception to the transition procedure outlined above.

I. That Orange Presbytery call Paul Ransford, Jr. as Staff Associate-Camp and Conference Program Director.

J. That the Korean group now meeting as part of the congregation of Westminster Presbyterian Church of Raleigh be organized as a Presbyterian congregation.

K. That in response to the petition of the Korean congregation a commission be erected to organize the new church August 1, 1982 at Westminter Presbyterian Church, Raleigh, North Carolina, 11:00 a.m. as follows:

The Reverend Robert Fields ..... To Preside and Propound the Constitutional Questions
The Reverend Curtis Harper ..... To Preach the Sermon
Ruling Elder James B. Lamberth To Voice the Prayer of Organization
Ruling Elder Ralph O. Dearborn ..... To Charge the Congregation
The Reverend Herbert Underwood ..... To Have the Invocation
The Reverend Herman Wormeldorf & Ruling Elder Elbert H. All, Jr. . Alternates

A PETITION THAT PRESBYTERY ORGANIZE A CHURCH

As members of Westminster Presbyterian Church in Raleigh, North Carolina,

most of us having came to the United States of America from the Republic of South Korea, and

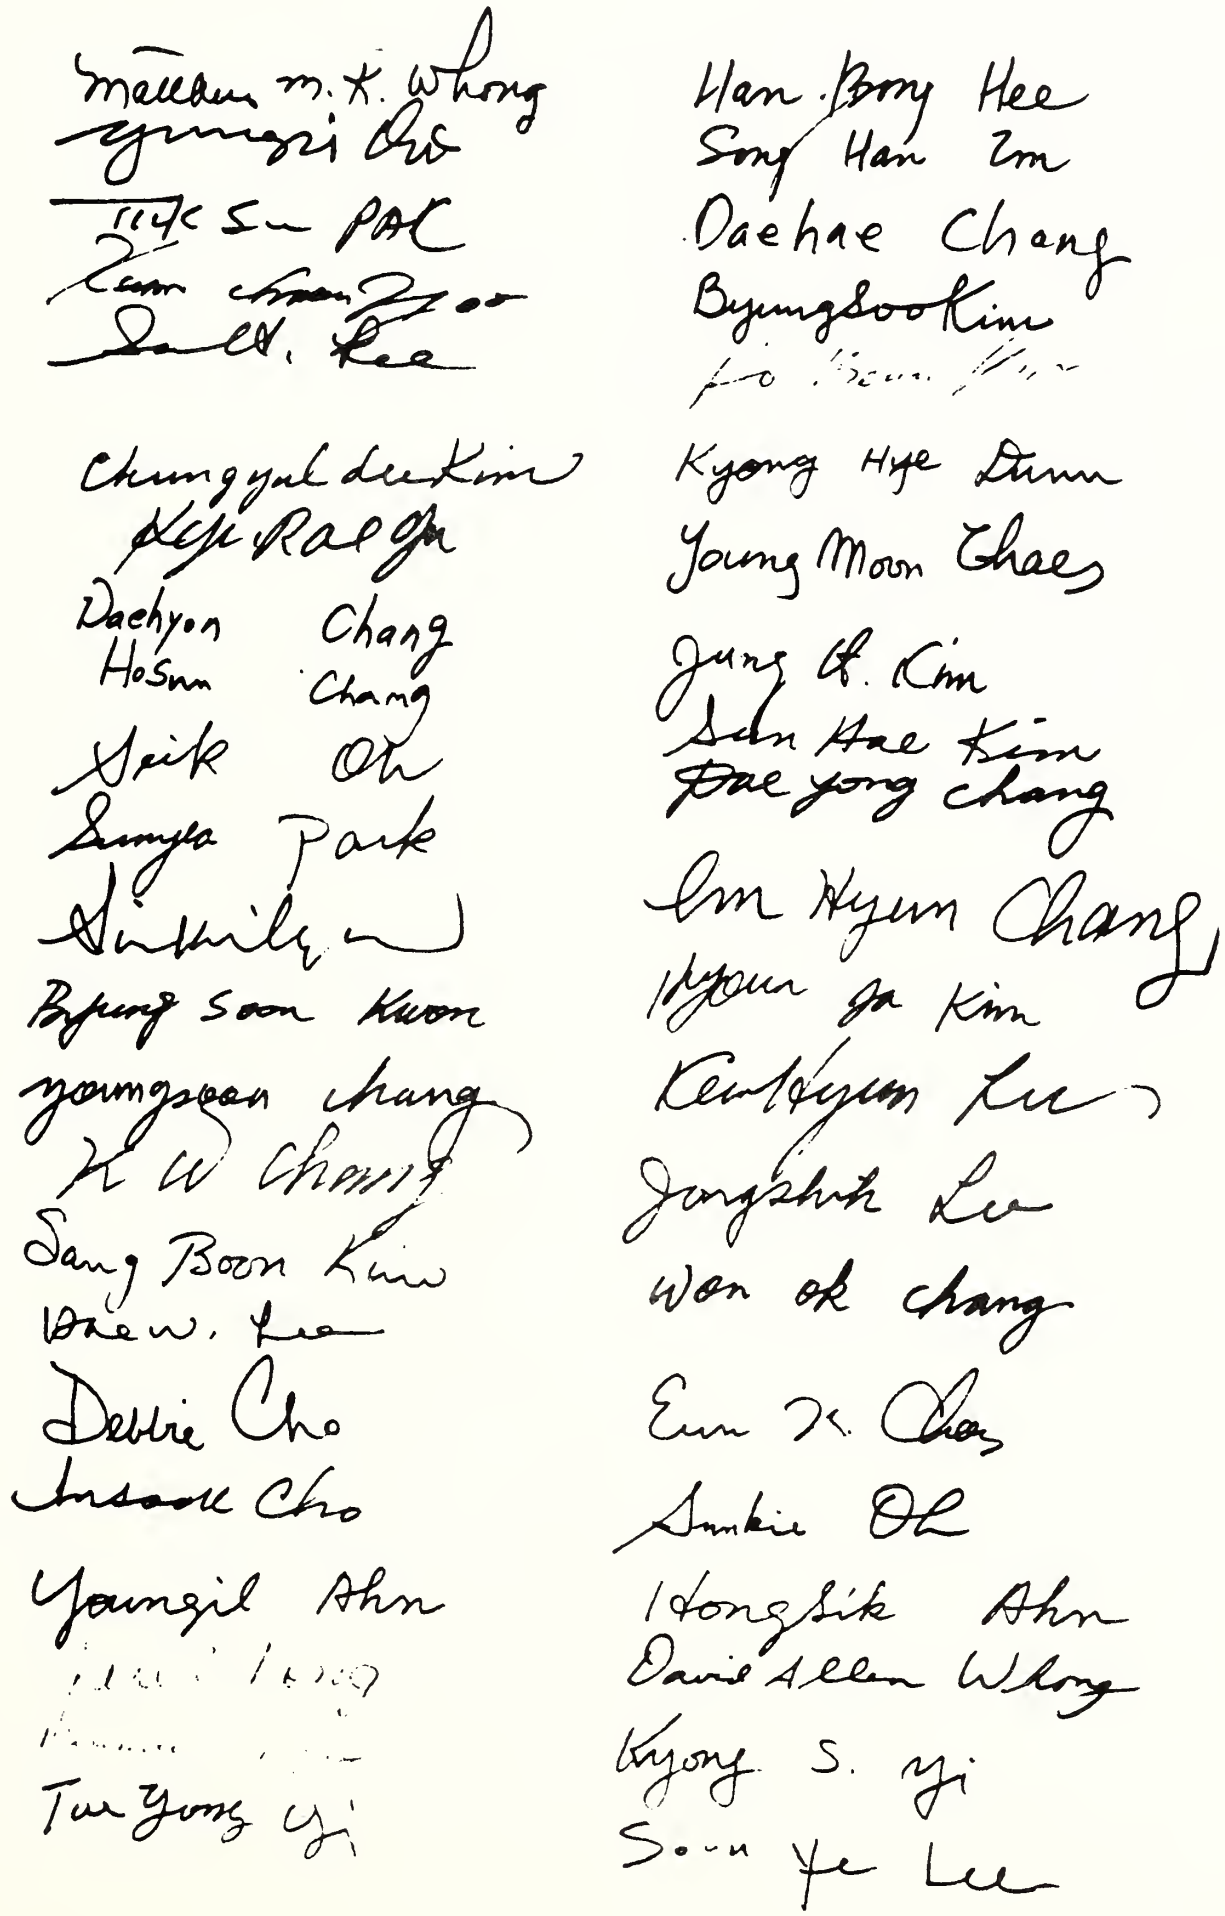
having concluded, after seven years of participation as members of West Raleigh and Westminster Presbyterian Church respectively, that our ministries to the Korean community in the Raleigh-Durham-Chapel Hill area would be more effective if we were constituted as a separate, member-church of the presbytery, and

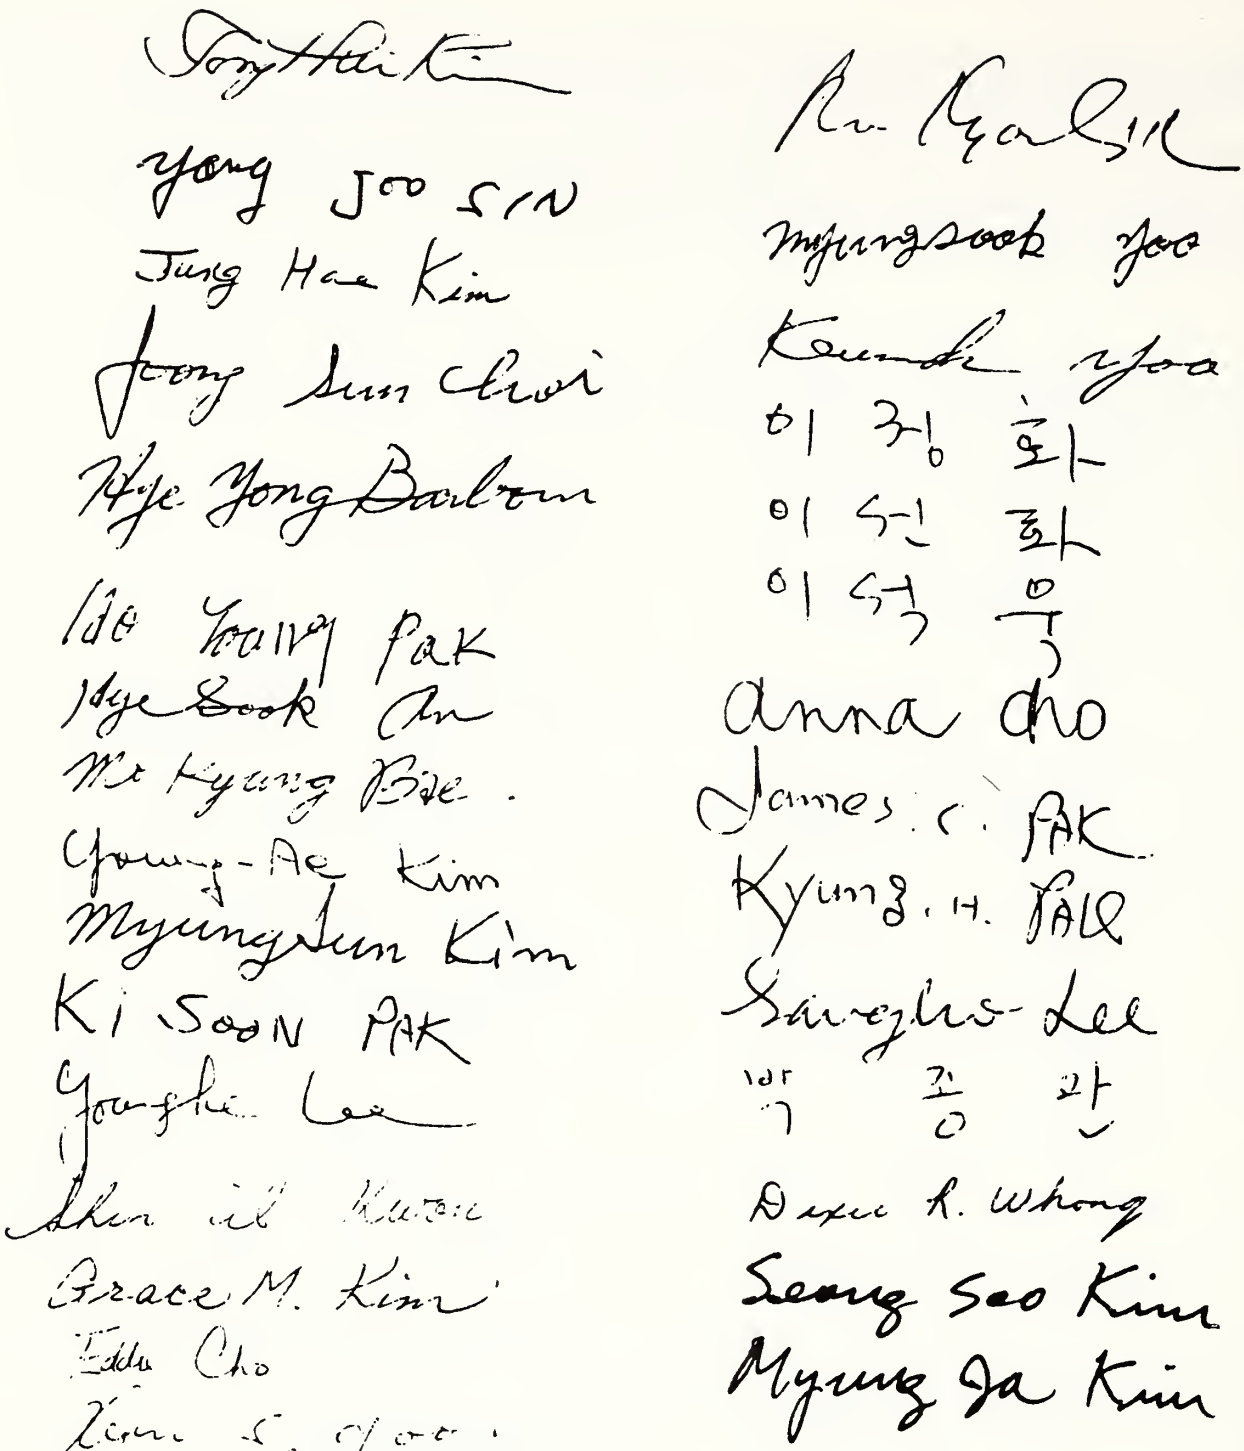
having fulfilled the conditions for organization as a church, according to the Korean's Congregation's covenant with Westminster Presbyterian Church and Orange Presbytery which expires at the end of this year, and

having now the opportunity to purchase property, including a church building, which will be adequate for all foreseeable needs, and which is available at considerably less than its market value,

we, the undersigned, do hereby petition Orange Presbytery to organize us as a member-church.

With commitment to serving our Lord Jesus Christ through his Church and in the hope of doing so as a member-church of the Presbytery of Orange in the Presbyterian Church in the United States, we submit this petition to which we have affixed our signatures on this eleventh day of July in the year nineteen hundred and eighty-two.





The Council is required to make a statement of attendance at meetings every six months in the Orange Book. If a person has not attended in the last six months, he or she is to be contacted to determine whether they wish to continue on the Council (Council Minutes 10-7-80).

WHEREAS God has given humankind dominion over the earth, in order to care for, nurture, and preserve our soil and water for future generations,

And WHEREAS the disposal of hazardous wastes in landfills abuses, pollutes, and destroys soil and water,

And WHEREAS the State of North Carolina is currently dumping PCB in a landfill in the Afton community of Warren County with no attempt whatsoever to detoxify the chemicals, thus posing a threat to the environment, to agriculture, and to human safety,

BE IT RESOLVED that the Presbytery of Orange expresses its pastoral concern for the residents of Warren County and especially for the residents of the Afton community.

Further, BE IT RESOLVED that we urge the State of North Carolina to move immediately to prohibit the existence of hazardous waste landfills within the State, and to require the detoxification of all hazardous wastes which are produced, used, or spilled in the State of North Carolina.

Further, BE IT RESOLVED that we urge that State of North Carolina and the federal government to require the individual, the industry, or the corporation which produces or uses a hazardous waste to bear the responsibility and the cost of detoxifying it.

Yours in Christ,

A RITE FOR
A MEMORIUM FOR DECEASED RULING ELDERS
OF
THE PRESBYTERY OF ORANGE

CALL TO WORSHIP

Leader: "Behold, I looked and saw a vast throng, which none could count, from every nation, of all tribes, peoples, and languages, standing in front of the throne and before the Lamb. They were robed in white and had palm branches in their hands, and they shouted together"

People: "Victory to our God who sits on the throne and to the Lamb!"

Leader: "And all the angels stood round the throne and the elders and the four living creatures, and they fell on their faces before the throne and worshipped God, crying:

People: "AMEN! PRAISE AND GLORY AND WISDOM, THANKSGIVING AND HONOR, POWER AND MIGHT, BE TO OUR GOD FOR EVER AND EVER!" (Rev. 7:9-12)

IN MEMORIUM TO THOSE RULING ELDERS DECEASED IN THE YEAR PAST

Leader: Paul says, "It is required in stewards, that one be found faithful." (I Cor. 4:2) In this hour we profoundly thank God as we remember those saints, who by life and deed maintained a glorious faithfulness to the Gospel of our Lord Jesus Christ, especially those ruling elders of the Presbytery of Orange who in the past year have entered the Church Trimphant. In the spirit of prayer let us now hear the names of those elders for whom the bell of victory has so recently tolled summoning them into the full presence of the Living God.

We praise thee, O God: We acknowledge thee to be the Lord.
ALL THE EARTH DOTH WORSHIP THEE, THE FATHER EVERLASTING.
To thee all angels cry aloud; the heavens, and all the powers therein;
TO THEE CHERUBIM AND SERAPHIM CONTINUALLY DO CRY.
Holy, holy, holy, Lord God of Sabaoth;
HEAVEN AND EARTH ARE FULL OF THE MAJESTY OF THY GLORY.
The glorious company of the apostles praise thee.
THE GOODLY FELLOWSHIP OF THE PROPHETS PRAISE THEE.
The noble army of martyrs praise thee.
THE HOLY CHURCH THROUGHOUT ALL THE WORLD
DOTH ACKNOWLEDGE THEE:
The Father, of an infinite majesty;
THINE ADORABLE, TRUE, AND ONLY SON; ALSO THE HOLY GHOST,
THE COMFORTER.
Thou art the King of Glory, O Christ.
THOU ART THE EVERLASTING SON OF THE FATHER.
When thou tookest upon thee to deliver man,
THOU DIDST OPEN THE KINGDOM OF HEAVEN TO ALL BELIEVERS.
Thou sittest at the right hand of God,
IN THE GLORY OF THE FATHER.
We believe that thou shalt come to be our judge.
WE THEREFORE PRAY THEE, HELP THY SERVANTS, WHOM THOU
HAST REDEEMED WITH THY PREVIOUS BLOOD.
Make them to be numbered with thy saints.
IN GLORY EVERLASTING.

Prayer: Almighty God, who has knit together your elect in an inclusive fellowship in the mystical Body of your Son Christ our Lord: We express deep love and gratitude for true witness to the wonder of your love released through these elders now face to face in your presence. Grant us grace so to follow your blessed saints in all virtuous and godly living, that we may come to those unspeakable joys which you have prepared for those who faithfully love and serve you . . . Grant us wisdom; grant us mercy; grant us thy peace. In the glorious name of Christ we pray. Amen.
